This degree program will allow students to concentrate on government and political science courses as teachers. Also, as other KBOR institutions offer and develop political science B.Ed. 120-hour programs, this B.Ed. will allow Washburn University to remain competitive, as students who wished to teach political science have pursued education degrees at other universities rather than Washburn. The B.Ed. in Government and Political Science will allow students to complete degree requirements within 120 credit hours while continuing to earn the same core curriculum as all other Education majors, acquire adequate content knowledge, and satisfy KSDE 6-12 licensure standards.

Financial Implications:

None
