

Welcome to Fall 2023!

The experiences at Washburn University do not begin or end in the classroom – we hope you take full advantage of your time here. Your Washburn campus community has planned many events to help us all come together to have some fun, and maybe find a new group or activity that you enjoy. Please use this as your guide to campus activities through Homecoming. You can always check out Bods Connect or the calendar on washburn.edu and/or wubodtalk (Instagram) to keep track of events at Washburn; there's also the weekly Bod Talk eNewsletter that is sent to your Washburn email address each Tuesday classes are in session.
