

**Admissions to Washburn University's Department of Education
Curriculum and Instruction with Emphasis in Educational Technology
(International Students)**

Details can be found at:

<http://www.washburn.edu/academics/college-schools/arts-sciences/departments/education/admissions/graduate-requirements.html>

Conditional Admission

Conditional admission will allow students to take up to nine hours without being formally admitted.

Requirements for conditional admission:

- Admission to Washburn University
- Completion of the "Application for Admission to the Graduate Professional Program"
<http://jotformpro.com/form/32944028097964>

Formal Admission

Formal admission allows students to continue in the program past nine hours. In order to be formally admitted as a student in our graduate program, students must complete the following:

- Receipt of an original transcript evaluation report by ECE or WES with completion of an Undergraduate/Baccalaureate degree indicated.
- Have a cumulative grade point average of 3.0 or better in the last 60 hours of college course work from ECE or WES evaluation
- Receipt of an official passing iBT(80), IELTS(6.5) or successful completion of the Intensive English program.
- Take and successfully complete your choice of one admission test (our in-house Graduate Admission Test (GAT), the GRE or the MAT)
- Hold a baccalaureate degree from a regionally accredited institution of higher education.
- Fill out a Declaration of Graduate Program Form
- Submit two letters of recommendation from supervisors and/or professional peers. One must be from a supervisor. (These letters must be from someone other than the candidate's Graduate Program Advisor).
- Sign and Submit the Professional Conduct Disposition Form.
- Meet with your program advisor to submit a completed Program of Study form.

Admission dates are February 1, June 1, and October 1. Once you have all the requirements finished, you can apply for formal admission on one of those dates.
