**Beginning Freshmen:**
- B.A. – Four different Concentrations in Kinesiology (KN), THESE ARE NOT for teacher certification.
  - Exercise Physiology – preparation for work or graduate school in a sports performance or health/fitness field, or an allied health profession.
  - Sport Management – preparation for a career in the sports administration and/or business side of the sports industry.
  - Physical Therapist Assistant – preparation for being a PTA or to pursue a graduate degree, typically in an allied health field. A student must be accepted into the PTA program as a condition for being accepted into the BA>KN>PTA. **PLEASE NOTE: This degree is being phased out. No new PTA majors will be accepted after Summer 2017. All PTA majors must complete all of the degree requirements by May 2020 in order to receive a degree in this concentration.**
- B.Ed. – Physical Education Teaching. Certification to be a public school physical education teacher, grades P-12.
- B.S. – Athletic Training. Preparation to take and pass the national exam to become athletic training certified.

**Prospective majors:** Visit the KN Department, declare a major, and be advised by a KN faculty advisor.

**Transfer Students:**
Contact KN Department Chair to determine transfer classes that will be accepted for specific KN credit.

**General Comments:**
- B.S. – applications for admission due March 1st. Contact AT Program Director for more information, if necessary.

**General Education Distributions:** Some suggestions:
- Humanities: CN150; At least one course from AR, MU, or TH is a graduation requirement.
- Natural Sciences: Take BI100 and BI101 in the same semester (MUST be Health Emphasis); MA116.
- Social Sciences: PY100 and/or SO100.

**Closed class policy:** Waiting lists for KN courses vary depending upon the class and the instructor. Students need to contact the course instructor to investigate wait list policy or capacity override potential. In addition, they should periodically check course enrollment prior to the beginning of the next semester to see if an opening develops.
