FACTS YOU NEED TO KNOW

The groups of students who must enroll in person and are NOT eligible to enroll on the Web are:
- High School Students
- WECEP Students
- KATS Students (KATS students must go to Benton 306)
- Conditional students must go to Morgan 122 in person for advising and enrollment

After registering your schedule for courses, view your course schedule to make certain it is accurate.

If you change your mind about any courses, you may add and drop as often as necessary throughout your alphabetical schedule or Open Registration. Be certain to check again to verify that your schedule did change.

Morgan 115 will be staffed during regular business hours to assist those students having difficulty enrolling.

The instructions for enrolling are the same for all enrollments (except a portion of Late Enrollment). Dates, times, and enrollment schedules may vary.

Instructions for Web Enrollment are listed on page 4 and instructions are on each screen on the web. Follow the instructions carefully.

You cannot see an entire registration page on the screen. Be sure to scroll down as far as necessary to find any links/buttons that you need.

To participate in this program, students should have the following items completed and on file with the Office of Admissions prior to enrolling:

   These forms are available in high school guidance offices and online at www.washburn.edu/admissions.

For specific information you may call the Washburn Office of Admissions at (785) 670-1030, or talk to your high school guidance counselor.
TUITION AND FEES
BILLING AND PAYMENT

Once a student is enrolled, s/he must pay the tuition and fees assessed unless s/he withdraws by the published date to do so: Early Session: Wednesday, May 28, Full Session: Monday, June 2; Late Session: Tuesday, July 1. After that date, the university refund schedule applies. Refunds for housing are prorated.

Tuition and fees will be assessed to student accounts at the end of the Spring 2008 semester and updated each business day thereafter as processes are run. IBOD statements will be run when Summer tuition and fees are assessed and then refreshed frequently throughout the semester.

Additional information:
• Classes added after the initial enrollment will be charged 100% of the tuition rate. (Tuition and/or fees are never prorated.)
• Refunds for dropped classes will follow the published refund schedule on page 8 (e.g., class "A" is dropped during the third week of the semester and class "B" is added at the same time – the student will pay 100% of tuition for "B", but receive a 50% refund for "A"). There are a few exceptions; such as transferring from one section of a class to another (e.g., EN300A to EN300C) or in case of a notification by the registrar of a duplicate class.
• Resident qualifications are defined in the University catalog.
• The tuition charge per credit hour is applicable to all parts of term such as regular semester, evening programs, etc., whether taken for credit or audit.
• There are no activity fees for telecourses, off-campus courses, or online courses if those are the only courses a student takes.
• Any student enrolling in only short-term/out-of-sequence courses must pay his/her tuition in full by the second day of class.

“IBOD” – Ichabod Billing on Demand
~ PRINTED STATEMENTS ARE NOT MAILED ~

LOG INTO my.washburn.edu, choose "Students" tab, and click on "IBOD," to:
  ❖ Print Statements of Account from the web, for your records, reimbursement by an employer, to send in with payment, etc.
  ❖ Set up an installment plan and pay for it online or with more traditional methods.
  ❖ Set up online payment from a checking or savings account or credit card and have reminder emails to yourself.
  ❖ Set up direct deposit authorization for refunds of excess financial aid.
  ❖ Set up parents or others as authorized users. Those authorized users can then:
    • view the student's financial account;
    • set up automatic payment arrangements or make online payments with credit card or web check, in addition to traditional payment methods; and
    • legally discuss the student's account with the Business Office.

IBOD statements are refreshed periodically throughout the semester. Check "current activity" to see the most recent activity on the account.

In addition, students will be notified via MyWashburn email when activity occurs on their accounts (e.g. when charges are assessed, financial aid released, a payment is due, a late charge is assessed). Authorized persons will receive these emails as well, unless the student revokes the authorization.

Information accessed via the web will be the most current available to the student. Students should check their accounts frequently to make sure they have the latest information.
PAYMENT OF TUITION AND FEES
(including housing, meal plans, etc.)

Tuition and fees are due in full by the last day to pay without a late fee published for each session. For Summer, 2008, these are: Early Session: Wednesday, May 28; Full Session: Friday, May 30; Late Session: Tuesday, July 1. If this is impossible, students may make a downpayment by that date and pay the balance in installments by setting up a payment plan through IBOD.

Payments may be made in person, by phone (credit card), by mail, or via the web (by web check or credit card). There is a drop box outside the Business Office (Morgan 205) for in-person, after hours payments.

Students who have sufficient financial aid to pay tuition and fees in full need do nothing about payment, except to check to make sure financial aid has been released to their student account, and to indicate how the excess should be disbursed – direct deposit or mailed check (if nothing is indicated, checks will be available for pick up at a designated site), as long as the financial aid is in the student's account by payment deadlines. Financial aid will be applied automatically and excess financial aid disbursed according to the student's preferred method of disbursement.

However, if a student's financial aid will pay only a portion of tuition and fees, the remainder must be paid or set up on installment payments by the last day to pay without a late fee published for each session. The financial aid that has been disbursed may be used as a first payment, with the balance split into installments. To set up an installment plan, go to my.washburn.edu, "students" tab, IBOD. Call the Business office at 785-670-1156, or send email to business-office@washburn.edu with questions. There is a $30 fee to set up an installment plan.

Financial Aid Priority deadline for academic year 2007-2008 (classes beginning by Summer 2008) was February 15, 2007. Students who are planning to enroll in Summer 2008 classes, who want financial aid and who have not submitted a FAFSA should do so as soon as possible to assure timely processing of funds. If a student's financial aid is delayed because his/her FAFSA was not submitted in a timely manner, the student will be required to make a down payment to hold classes.

**Last day to pay tuition and fees without a late fee is:**

**Early Session: May 28, Full Session: May 30, Late Session: July 1**

**Late Fees**
After the published date to enroll without a late fee, if charges have not been paid nor an installment plan set up, a single late fee will be charged according to the number of credit hours taken.

Online credit courses are available in a variety of subjects. These courses require that you have access to the Internet or use the campus computer labs to access MyWashburn and course materials. Some of the courses require periodic on-campus sessions or proctored exams.

To view the list of online courses, go to [http://www.washburn.edu/online-education/](http://www.washburn.edu/online-education/) and click the Class Schedule Search link. You may enroll in an online course the same way you enroll in any other WU credit courses (refer to the registration section of the class schedule for specific enrollment information). To access online courses, faculty and students must login to MyWashburn at [http://my.washburn.edu](http://my.washburn.edu). Online courses are located on the MyCourses tab in MyWashburn. Online courses will open in a new window. Students should check their computers for pop-up blockers and allow pop-ups from washburn.edu. Students should also change their MyWashburn time out setting from the default value in “My Account Preferences” inside MyWashburn to at least 120 minutes to avoid timing out while working in an online course. Care should be taken to log out completely when finished. All students enrolled in online courses have access to the WebCT Student Orientation. The link to the orientation is on the MyCourses tab of MyWashburn in the WebCT @ WU channel. Students new to online classes are strongly encouraged to read the orientation material before or during the first week of classes.

The student orientation covers each of the WebCT tools and answers some of the most commonly asked questions. For technical support with online classes e-mail webtech@washburn.edu or call (785) 670-2381. phone support is available Monday through Friday, 8 a.m. – 5 p.m. central time. E-mail support is available all the time except for official holidays and University closings. Average response time for e-mail support is 8 to 12 hours. Face-to-face WebCT Student Orientations are held on Washburn’s campus during the first two weeks of classes. Orientation dates are sent out to all students’ MyWashburn e-mail addresses and are posted on announcements placed throughout the Washburn campus prior to the first day of classes.

In addition to the distance education programs coordinated by the Division of Continuing Education, Washburn University offers a variety of noncredit professional development courses including computer training, continuing nursing education, management and human resources programs, Spanish language classes, social service programs, and victim assistance training. On-site and contract training programs are also available for organizations that desire greater convenience or specialized training for their employees. For more information on noncredit courses, call (785) 670-1399 or go to [www.washburn.edu/ce/](http://www.washburn.edu/ce/).

The **Partnership for Learning and Networking (PLAN)** is a collaborative set of baccalaureate degree completion programs offered by Washburn University in conjunction with 20 Kansas community colleges and six technical colleges. These programs allow you to complete an associate degree at any of the participating community colleges, and then a baccalaureate degree from Washburn University in another two years without traveling to Topeka for classes. For more information about the 2+2 PLAN degree completion programs, visit the PLAN web site at [http://www.washburn.edu/PLAN/](http://www.washburn.edu/PLAN/), or send an email to 2PLUS2@washburn.edu.

**Financial Aid**

Washburn University students who want to apply for summer 2008 financial aid must have the 2008-2009 FAFSA information on file in the Financial Aid Office. To apply for federal financial aid, please go to http://www.fafsa.ed.gov. Students must also complete a Washburn Summer School Financial Aid Application to indicate their summer enrollment plans. The summer application is available on our web site at http://www.washburn.edu/financial-aid.

Summer is treated as a “trailer” to our previous fall and spring semesters. If a student has not utilized their Stafford loan eligibility and/or Federal Pell Grant eligibility for the fall and spring semesters, there may be remaining eligibility for the summer session. For financial aid purposes, undergraduates must be enrolled in 12 credit hours to receive full-time financial aid, and 6 credit hours for half-time. Graduate and law students must be enrolled in 6 credit hours for full-time financial aid, and 3 credit hours for half-time. For students who have maximized their federal Stafford loan eligibility, private loans may be an option. Campus based funds are only available if not fully expended for the previous fall and spring semesters.

If you have questions, the Financial Aid Office invites you to stop by Morgan Hall 267 or call at (785) 670-1151 or (800) 524-8447. You may also call for a personal appointment with a financial aid director, or email us at financialaid@washburn.edu.

Payment of Tuition
The University reserves the right to correct clerical errors.

All Summer 2008 tuition and fees are due by the last day to pay without a late fee for each session: Early session: Wednesday, May 28; Full Session: Friday, May 30; Late Session: Tuesday, July 1. Charges and payments will be assessed to registered students the day after the last day of the Spring 2008 semester, and automatically thereafter as they enroll. Students who have completed advance/open registration but do NOT intend to attend Washburn during the Summer semester MUST drop their courses via the web. Students MUST withdraw to avoid charges for which they will be liable.

Through the web enrollment process, the student is able to pay online with a credit card or web check. Either method is accomplished through IBOD, Washburn's Ichabod Billing on Demand System, within my.washburn.edu, "Students" tab. Electronic checks are generally processed by banks before paper checks and automatic payments from credit cards are processed early at the payment desk; please take this into account.

The University will accept Master Card, Visa, Discover and American Express credit card payments. These may be made on the Web, in person, or by phone. In addition, the University accepts cash, paper checks, money orders, and employer authorizations. In a case where a student has remitted a check that has been returned for insufficient funds, no personal checks will be accepted to repay that obligation. Any scholarships, grants, or loans coming through Financial Aid to the student’s account will be applied first to tuition and fees. Students are able to check whether or not the Financial Aid is ready by accessing their student account online.

If a student has no holds on his/her account and cannot pay the full amount of tuition and fees prior to the first class, installment plans are available via IBOD. No interest is charged for an installment plan, but a $30 set up fee will be charged. This set up fee is for "borrowing" University funds to pay your bill over the semester.

With an installment plan, there will be a downpayment, of 1/4 the total amount, with additional payments due before the class is completed. The specific dates will be posted on the business office website (www.washburn.edu/business-office) and will be listed on the Summer Installment plans through MyWashburn. If any installment payment is not received by the Business Office by the appropriate date, a $25.00 late fee will be assessed for that installment and will be added to the student’s account. See "Late Registration and Delinquent Payments" for more information.

If a student is receiving financial aid, it must be applied to the total charges first and is considered the first payment or a part thereof. Any remaining balance can be deferred and will follow the schedule of payments dates.

Any student enrolling in only short-term/out-of-sequence courses must pay his/her tuition in full by the second day of class.

After enrollment is completed, students can check their accounts on the Web to determine how much they owe, how much excess financial aid they may expect, when payments are due and the amounts of those payments. Reminders of payments due can be sent to students/authorized parents and others via email, if the student chooses to set that up via IBOD. Timely payments are the student's responsibility.
Excess Financial Aid
Refunds of excess financial aid (credit balance) will be disbursed within 14 calendar days after funds are credited to the student's account. The preferred method of disbursement of excess financial aid is via direct deposit to a student checking or savings account, (which the student sets up via MyWashburn, "Students" tab, IBOD, My Profiles, Payment Profile). Students who have set up direct deposit by Spring 2008 do not have to do anything unless their bank information has changed. Parents who will receive excess funds for Parent PLUS loans will receive a paper check for those funds by mail. Students may request that a check be mailed, or they may pick up a check – specific dates, times and places for that process will be posted on MyWashburn, on the Business Office Web page (www.washburn.edu/business-office.html), and via email to students and authorized users. You will be able to change your mailing address through your MyWashburn account. PLEASE make sure that your address information is correct. Checks are mailed to a student's current address.

Tuition Payment for Summer 2008
Once a student is enrolled, s/he must pay the tuition and fees assessed unless s/he withdraws by the date listed for each class on the academic calendar. After that date, the University refund schedule applies. Refunds for housing are prorated unless s/he withdraws by the date listed for each class on the academic calendar. Once a student is enrolled, s/he must pay the tuition and fees assessed unless s/he withdraws by the date listed for each class on the academic calendar. After that date, the University refund schedule applies. Refunds for housing are prorated.

Online enrollment will be available in April 2008. Tuition and fees will be assessed to student accounts at the end of the Spring 2008 semester and updated each business day as processes are run. IBOD statements will be run when Summer tuition and fees are assessed and then refreshed frequently throughout the semester.

**PAPER STATEMENTS ARE NOT MAILED** With information processed from several departments within the University, online access provides the most up-to-date version of a student account. Students who do not have access to a home computer may use any of the labs on campus or come to the Business Office to use a computer.

To access a statement, login to my.washburn.edu, "Students" tab, and choose the IBOD button. A statement of charges may be printed and used to mail in payment, if that is what the student desires. This statement of charges will be available to students and any person for whom they establish authorization. The authorization process, as well as direct deposit set up (for the student), scheduling payment from an account, etc., is available through IBOD. See www.washburn.edu/business-office.html for additional information.

Please refer to the "Payment of Tuition" and "Excess Financial Aid" sections of the schedule for more information about Web payment.

Washburn will still accept payment at the cashier's window via cash, check, money order, or credit card (MasterCard, Visa, Discover, and American Express). Checks and money orders may also be mailed, and credit card payments can be accepted over the phone.

Remember, if you enroll in a short term class, you must pay the tuition in full by the second day of class.

**Drop/Add**s (Class schedule changes) can be done any time the Web is available to you up to the last day to withdraw. You can keep track of that by checking your account on the Web. **ONE MAJOR CHANGE** is that drops and adds are figured separately, so in order to drop and add an equal number of class hours without any charge, you must do that within the published 100% refund period (see academic calendar or www.washburn.edu/business-office/refunds.shtml for more information)

Making changes to your course schedule may cause you to have an amount you owe to the University. Please check this via my.washburn.edu. If an action causes you to have a credit balance, the credit will either be applied to your account, if you have a balance, or the excess will be direct deposited or mailed to you in check form according to your instructions. Please be sure your address in MyWashburn is correct.

**Late Enrollment and Delinquent Payments**
Late enrollment fees are applicable to those students who have not paid their charges or set up an installment plan on the dates set and published as the last day to pay without a late fee. Late enrollment fees also apply to TV Courses.

Students who do not meet this deadline will be charged a single late fee according to the number of credits in which they are enrolling:

<table>

</tbody>
</table>

The deadline for completing the enrollment process, with late enrollment fee, is: Early Session: Wednesday, May 28; Full Session: Friday, May 30; Late Session: Tuesday, July 1. The rules of payment/installment plans apply to late enrollment.

Out-of-sequence courses starting after the regular registration period and scheduled for periods other than the full semester are not subject to the late registration fees. TV courses are not out-of-sequence courses. Drop/adds after initial registration will not be assessed a late fee.

Delinquent payment fees are applicable to those students who have not paid their installment payment on or before the due date specified. Delinquent payment fees are $25.00 for each late payment. (A postmark on or before the due date will be accepted as timely payment.)

Installment payments may be made in the Business Office during regular office hours, or after 5:00 p.m. and before 8:00 a.m. at the depository box outside of Morgan 205. Please use the envelopes provided and print your WIN number on the envelope or your payment if you choose to use the depository. Payments may also be made by mail, by phone, or 24/7 via IBOD.

**Procedures for Withdrawing from Classes**
Students may withdraw from courses on the Web until the last day to withdraw (Early session: June 17; Full Session: July 1; and Late Session: July 21). The date of withdrawal is determined by the day the withdrawal is processed on the Web. The responsibility for completing the withdrawal process rests with the student. Failure to officially withdraw results in the recording of "F" grades at the end of the semester/term, and in being responsible for all assessed charges.

To verify that the withdrawal process has been successfully completed, students should access their MyWashburn accounts online and view the “Detail Course Schedule” link on the Student Tab. The status will indicate withdrawn and the date the course was withdrawn successfully.
Tuition Refunds (Refund policy is subject to change.)
The University reserves the right to correct clerical errors.
A student permitted to withdraw may be allowed a refund of the
University tuition charge for an academic session in which he or
she is enrolled according to the published tuition refund schedule.
Tuition refunds different from the published schedule are not
permitted unless the course is canceled by the University or unless
an error was made by the University. No refunds will be made of
the late registration fee unless such charge has been made through
an error of the University (or if the withdrawal is caused by
military deployment). In the event some or all of the tuition and
fees were paid by some source(s) other than the student, including
but not limited to scholarships, grants, Federal Title IV funds, the
first refund amounts will be made payable to those sources. If the
student has any unpaid account with the University any refund
due from withdrawal may be applied to such account. Any refund
amounts that exceed the amounts paid by other sources and
amounts due to the University will then be paid to the student.
For those students who completely withdraw from classes and
have received Federal Title IV funds, please refer to the refund
policy published through the Financial Aid Office to determine
the percentage of refund. Refunds issued for withdrawal are not
on the same timetable as excess financial aid refunds.

The refund policy for credit courses that are less than five weeks
duration and more than one day is 100% if the student processes
the official withdrawal on the web the day before class begins.
The first business day after the officially published days of
registration constitutes the beginning of the semester for tuition
refunds. For courses which are scheduled out-of-sequence of the
regular Fall, Spring, and Summer sessions, the day published as
the official first class meeting for the course constitutes the
beginning of the course for tuition refund purposes, assuming the
course is for a term of five or more weeks and is subject to tuition
refund.

Tuition Refund Schedule
Tuition is refundable according to the published schedule. The date
used to determine the percentage of refund is the day the student
processes the official withdrawal on the Web. The activity fee and any late
registration fees are not refundable. For those students who
completely withdraw from classes and have received Title IV funds, the
first refund amounts will be made payable to those sources. If the
student has any unpaid account with the University any refund
due from withdrawal may be applied to such account. Any refund
amounts that exceed the amounts paid by other sources and
amounts due to the University will then be paid to the student.
For those students who completely withdraw from classes and
have received Federal Title IV funds, please refer to the refund
policy published through the Financial Aid Office to determine
the percentage of refund. Refunds issued for withdrawal are not
on the same timetable as excess financial aid refunds.

The refund policy for credit courses that are less than five weeks
duration and more than one day is 100% if the student processes
the official withdrawal on the web the day before class begins.
The first business day after the officially published days of
registration constitutes the beginning of the semester for tuition
refunds. For courses which are scheduled out-of-sequence of the
regular Fall, Spring, and Summer sessions, the day published as
the official first class meeting for the course constitutes the
beginning of the course for tuition refund purposes, assuming the
course is for a term of five or more weeks and is subject to tuition
refund.

Tuition Refund Schedule
Tuition is refundable according to the published schedule. The date
used to determine the percentage of refund is the day the student
processes the official withdrawal on the Web. The activity fee and any late
registration fees are not refundable. For those students who
completely withdraw from classes and have received Title IV funds, please refer to the refund
policy published through the Financial Aid Office to determine the refund percentage.

Short Term Classes
Fees refunded 100% if the student processes the official
withdrawal on the Web prior to the beginning of the class.

Deferred Payment Obligations (Installment Plans)
The University's tuition refund policy is not affected by a student
electing to pay by installments. In such event, the refund shall be
calculated by multiplying the total tuition charge for the academic
session in which such student is enrolled by the appropriate
percentage to determine the amount to be retained by the
University. The University shall retain from any payments made
to it the amount of University fees charged and the amount of
tuition payment to which it is entitled under the refund schedule.
If a student on deferred payment withdraws from courses, any
outstanding deferred payment obligation, taking into
consideration the amount of tuition then due and owing to
University under the refund schedule, will be added to the
installment plan amounts and will be due at the agreed due dates.

Withdrawal Due to Serious Illness or Injury
If a student is unable to complete a semester or term due to
serious illness or injury, the student may withdraw from courses
on the Last Day to Withdraw. Withdrawal DOES NOT CHANGE
the student's financial obligation to the University. For
withdrawals with a medical basis after that date, students must
present an affidavit signed by a licensed health care provider
certifying the circumstances. This affidavit, as part of a Medical
Withdrawal information packet is available in the University
Registrar's Office, and the completed form should be directed to
the Office of the Vice President for Academic Affairs (VPAA). If
the request relates to a semester other than the current one, the
VPAA Office must also approve the academic withdrawal. Based
on an approved request, the student will be withdrawn from all
his/her courses, and will receive a "W" on his/her transcript for
those courses. There will be NO REFUND for this procedure.
Only withdrawals processed during the published refund schedule
(see above) will generate any kind of refund of tuition and fees.

If the student has received Title IV federal financial aid, then the current "Return of Title IV Funds" policy will be applied
according to PL 105-244, Sec 484B, 64FR59016. (Federal Pell
Grants are only adjusted based on the student's enrollment status
during the first two weeks of classes.) A student eligible for a
withdrawal from classes based on serious illness or injury and that
occurs after completion of 60% of the semester/session is not
subject to Federal "Return of Title IV Funds" policy, is
considered to have earned their Federal Title IV aid.

Refund Due to Death of Student
If a student should die during a semester/session in which the
student is duly enrolled, the student's estate will be refunded the
tuition and fees based on the above stated policies. To initiate
this process, the family may contact the Student Life Office.

Non-Credit Hour Courses
Due to the unique nature of the various programs offered,
cancellations and refunds may be different depending on the
program or course. If you are unable to attend a course, please
refer to the cancellation and refund policy established for each
program as indicated in the program brochure, on the program
web page, or by contacting the coordinator responsible for the
program. If a policy is not specified, the Division of Continuing
Education must receive your request for a refund no later than
three (3) business days prior to the start of the program to receive
a full refund. No refunds will be granted once the program
begins.

Residency
The residency status of a student for the purpose of paying tuition
to Washburn University is determined at the time the student
applies or reapplies to the University. If a new student questions
the status that was assigned, he/she should contact the Office of
Admissions for further information and instructions. Current
students classified as non-residents who have continuously lived
in Kansas for at least six months, have continued to attend
Washburn without having to reapply, and believe that they have
met residency requirements as described under "Residence Qualifications" of the University Catalog, may contact the Office of the University Registrar for information and instructions to have their status reviewed. Non-resident tuition is not assessed for Summer sessions for undergraduates.

Final Grades
Final grades will be able to be viewed on the Web the next day after semester grades are due through your MyWashburn account. Grades will not be given over the telephone.

Degrees
Degree Conferment – The University confers degrees three times a year to students who have met all requirements as of the last day of final examinations for each of the three semester/term: Fall semester, Spring semester and Summer term. Degrees for the Summer 2008 semester will be dated July 31, 2008. All work not completed (i.e. incomplete grades, etc.) by July 31 will result in graduating the following term/semester or later. Transfer work must be received by August 22, 2008 to count for Summer 2008 graduation.

Application for Degree – Students planning completion of the associate, baccalaureate, or master's degree for Summer should file the Application for Degree form in the University Registrar's Office, Morgan Hall 115, by February 15, 2008. A new Application for Degree must be submitted for a later term/semester if you do not graduate Summer 2008.

Diplomas
Diploma Distribution
Diplomas will be available approximately two months after each semester/term. Diplomas may be picked up in the Office of the University Registrar, Morgan Hall 115, during regular business hours. Photo identification must be presented to obtain your diploma. Students may have diplomas mailed by completing the diploma mailing card in the University Registrar's Office. Students may also obtain the Diploma Mailing form by printing it after accessing www.washburn.edu/registrar. Policies Affecting Your Rights & Responsibilities

Procedure for Contesting Grades
(The College and Schools, except the School of Law)
The obligation of the instructor to evaluate the performance of students on sound academic grounds is basic to the formal education process. A student who believes the grade awarded him/her by an instructor is based upon reasons other than the student's academic performance may appeal the grade received in a course as follows.

a. Consultation with the Instructor
A student must first attempt to resolve his/her dispute concerning the final grade received in a course through consultation with the instructor of the class. Such consultation normally shall take place following award of the grade but in no event shall such consultation take place later than the fourth week of the next regular academic semester following the award of the grade. In the event the course instructor is no longer at the University or is on a leave of absence during the semester following the contested grade or the instructor shall have refused to consult with such student, the student may proceed to the next stage, mediation by the Department Chair (where such exists). If no Department Chair exists, the next stage is mediation by the Dean of the College or School in which the course was offered (see Step c).

b. Mediation by the Department Chair
If the student is dissatisfied with the result of his/her consultation with the instructor or the student shall have been unable to meet with the instructor because of the instructor's refusal to meet or absence, the student may seek mediation of the matter with the Department Chair in the unit in which the course was offered. The Department Chair must be notified in writing by the student of his/her intention to continue the appeal process. Such notification must be received within 10 working days of the day on which the student/instructor consultation has been completed. The process shall be terminated if notification is not received within the 10 working days. The instructor shall make available to his/her Department Chair all of the materials and criteria which entered into the determination of the student's final grade in the course. The student shall provide the Department Chair, in writing, the grounds for contesting the grade by the instructor. After receiving and reviewing these materials, the Department Chair shall meet with the student and the instructor, either jointly or separately, to attempt to mediate the dispute about the contested grade.

c. Mediation by the Dean of the College or School in which the course was offered
If the student is dissatisfied with the result of his/her consultation with the instructor or the student shall have been unable to meet with the instructor because of the instructor's refusal to meet or absence, the student may seek mediation of the matter with the Dean of the College or School in which the course was offered. The Dean must be notified in writing by the student of his/her intention to continue the appeal process. Such notification must be received by the Dean within 10 working days of the day on which the student/instructor consultation has been completed. The process shall be terminated if notification is not received within the 10 working days. Upon receipt of the notice of appeal, the Dean shall forward it and all materials submitted by the instructor and student during the mediation process to the Vice President for Academic Affairs. The Vice President for Academic Affairs, upon receipt of the notice and materials, shall appoint and convene a committee of five persons, comprised of three faculty members (two from the same department or area, one faculty from another department or area), and two students, to serve as the Grade Appeal Committee. At its first meeting, the Grade Appeal Committee shall select its chairperson and set the date, time and place for the appeal to be heard. The committee shall advise the student and the instructor of the hearing date.

(i) Hearing
The hearing will take place before the entire committee. The burden of proof rests with the student who shall, during the course of the hearing on the contested grade, be responsible for presenting evidence to support the claim. The hearing will be informal and the formal rules of evidence shall not be applicable. Oral testimony of witnesses may be presented but is not required. If either the student or the instructor presents witnesses, she/he must provide to the Committee a written summary of the testimony expected of the witness(es) to the Committee and to the other party not later than three days prior to the date of the hearing. The student or the instructor may be accompanied by an advisor whose only role in the course of the hearing will be to render advice to the student/instructor. The amount of time allotted to each party will be left to the discretion of the Committee.

(ii) Decision
At the close of the hearing the Committee shall meet and determine by a vote of four out of five of the members, whether the student has proved the relief sought should be awarded for the reasons stated in his/her notice of appeal and the student's grade changed. The Committee shall report its decision in writing to the student, the instructor and to the Vice President for Academic Affairs. The decision of the committee shall be final. If it is the judgment of the committee that the grade be changed, then the Vice President for Academic Affairs shall notify the Registrar, who will enter the changed grade which will be initialed by both the Vice President and the Registrar.

Sexual Harassment Policy
(www.washburn.edu/sexual-harrassment.html)
Washburn University intends to assure a harassment-free environment in which to work and to pursue educational goals. Sexual harassment is a form of misconduct which undermines the integrity of employee relationships and student-faculty relationships.

Employees: Harassment on the basis of sex is defined by Section 703 of Title VII of the Civil Rights Act of 1964 as: Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment, (2) submission to or
rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual, or (3) such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

**Students:** Sexual harassment of students is a violation of Title IX of the Education Amendments of 1972, which prohibits sex discrimination in education. Academic sexual harassment is the use of authority to emphasize the sexuality of a student in a manner which prevents or impairs that student's full enjoyment of educational benefits, environment or opportunities. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) the conduct has the purpose or effect of interfering with the individual's academic performance, or of creating an intimidating, hostile or offensive educational environment (2) imposed by an employee or agent of Washburn University which denies, limits, conditions or provides different aid, benefits, services or treatment.

All persons must be allowed to pursue their activities at Washburn University free from unsolicited and unwelcome sexual overtures or conduct. The administration of Washburn University strongly disapproves of such inappropriate conduct and will not tolerate its occurrence.

Complaints of sexual harassment should be made verbally or in writing to Carol L. Vogel, Equal Opportunity Director, Morgan Hall 380A, 670-1509, carol.vogel@washburn.edu.

**Drug Free Schools and Campuses Information/Annual Security Report**
The Washburn University's annual security report includes statistics for the previous three years concerning reported crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Washburn; and on public property within, or immediately adjacent to and accessible from, the campus. Other reports include institutional policies concerning campus security, such as policies concerning alcohol and other drug use, crime prevention, the reporting of crimes, sexual assault, and other matters. You can obtain a copy of this report by contacting the Office of Student Life (Morgan 104, 670-2100) or by accessing the following website: [http://www.washburn.edu/right-to-know](http://www.washburn.edu/right-to-know). Information is also located in the Student Planner/Handbook.

**Equal Opportunity Policy Statement**
[www.washburn.edu/co.html](http://www.washburn.edu/co.html)

It is the policy of Washburn University to assure equal educational and employment opportunity to qualified individuals without regard to race, color, religion, age, national origin, ancestry, disability, sex, marital or parental status or sexual orientation.

Equal educational opportunity includes, but is not limited to, admissions, recruitment, extracurricular programs and activities, housing, facilities use, access to course offerings, counseling and testing, financial aid, health services and employment. Equal employment opportunity includes, but is not limited to, recruitment, hiring, assignment of duties, tenure and promotion determinations, compensation, benefits, training and termination.

It is University policy to have positive action taken to assure the full realization of equal opportunity for all who work for the University. Special efforts will be made to identify promising minority persons and women for positions in all areas and at all levels in which these groups are under-utilized relative to their availability. All selections will be based solely on the candidates' qualifications to carry out the duties that the positions require, knowing that such actions can only result in raising the quality and competence of faculty and staff.

The administration of Washburn University is committed to its support of the principles of equal opportunity for students, faculty and staff. Responsibility for monitoring and implementation of this policy is delegated to the Equal Opportunity Director*; however, all personnel will share in the specific activities necessary to achieve these goals.

*Complaints of discrimination should be made verbally or in writing to the Equal Opportunity Director, Carol Vogel, MO 380A, 670-1509, carol.vogel@washburn.edu.

**Student Conduct Code**
The students of Washburn University are responsible for complying with policies, standards, rules, and requirements for academic and social behavior formulated by the University community. At the same time, students have protection through orderly procedures against arbitrary or capricious actions or decisions by University authorities. Due process is recognized as essential to the proper enforcement of University rules. The purpose of this document is to provide a procedure and rules by which a student will be afforded due process in the matter of alleged violations of University standards, rules and requirements governing academic and social conduct of students.

Prohibited behaviors include, but are not limited to: disruption and disorderly conduct which interferes with the rights and opportunities of other students to pursue their academic studies; theft or malicious destruction, intentional damage, or misuse of University property or private property of another member of the University community, whether occurring on or off campus; or theft or malicious destruction, intentional damage, or misuse on campus of property of a nonmember of the University community; unauthorized entry upon the property of the University or into a University facility or any portion thereof, including a computer file, which has been reserved, restricted in use, or placed off limits; unauthorized presence in any University facility after closing hours; or unauthorized possession or use of a key to any University facility; possession, use, or distribution on campus of any controlled substance as defined by the laws of the United States or the State of Kansas except as expressly permitted by law; possession or use of alcoholic beverages on campus except as permitted under policies adopted by the Board of Regents.

For a complete copy of the Student Conduct Code, contact the Student Life Office, Morgan Hall 104. The conduct code is also included in the Student Planner/Handbook.

**Academic Impropriety Policy**
The grades and credits earned by college students in their courses provide an important measure of the quality and extent of their academic achievements. Preserving the integrity and significance of grades and credits is a professional responsibility of the teaching faculty, but requires the cooperation and support of students. The present policy is designed to assist faculty and students in this task. First, it identifies the basic presumption underlying the integrity and significance of academic grades and credits. Second, it defines as academically improper, and officially forbids, all forms of student behavior that undermine, or that could reasonably be interpreted as undermining, the validity of this basic presumption. Finally, it requires faculty to take reasonable steps to prevent such behavior from occurring and to take appropriate academic action when it does occur.

The Basic Presumption—Grades or credits are fair and equitable measures of academic achievement only on the presumption that the academic work submitted by each student is his or her own and is created under course conditions or rules (e.g., time and resources allowed for the completion of an examination) common to all students in that course. The moment this presumption's validity is reasonably doubted, the integrity of grades and credits as signs of actual academic achievement is seriously undermined. Therefore, it is incumbent on students and faculty alike to ensure that the validity of the basic presumption is preserved beyond any reasonable doubt.
Family Educational Rights and Privacy Act
The Family Educational Rights and Privacy Act of 1974, as amended, protects the privacy of students and provides for the right to inspect and review educational records. These rights include, but are not limited to the following:
1. The right to inspect and review their education records.
2. The right to seek correction of their education records.
3. The right to file complaints concerning the alleged failures by the University to comply with the Privacy Act.
4. The right to restrict the release of Directory Information.

The Act prescribes the conditions under which information about students can be released without prior consent:

Disclosure to Faculty and Administrative Officers of the University
The University discloses academic records without written consent of students to those designated university officials within the institution who have a legitimate educational interest.

Disclosure to Parents
Students may share their education records with parents at their own discretion. Academic records may be provided to parents who make the request directly to the institution upon:
- Obtaining and providing the student's written consent, or
- Establishing the student's dependency as defined by the Internal Revenue Code of 1954, Section 152.

Disclosure to Government Agencies
Some federal and state agencies specified in the Family Educational Rights and Privacy Act have the right to student records without written consent. In addition, judicial order or lawfully issued subpoenas can secure student records without the written consent of the student.

Disclosure to Other Individuals and Organizations
The University may release without written consent certain information identified by the institution as public or directory information. Directory information at Washburn University includes: name, current address and phone number, permanent address and phone number, e-mail address, classification status, major field of study, date and place of birth, dates of attendance, awards and academic honors, enrollment status (full-time, half-time, less than half-time,) most recent educational institution attended, participation in officially recognized activities and sports, height and weight of members of athletic teams.

Federal law and University policies allow the Office of the University Registrar to release directory information to the public unless the student requests otherwise. Students who choose not to have directory information published in the Campus Directory may indicate so by updating their directory profile through MyWashburn Self-Service by August 30 of each year they are enrolled.

If no release of information to public inquiry is desired, a separate form must be submitted in the Office of the University Registrar. The form may be submitted throughout the year and becomes effective when submitted.

If no listing in the Commencement Program is desired, the student must indicate this on the Application for Degree Form available in the Office of the University Registrar.
