

# Shop at Dillons and reward the Alumni Association!

A great opportunity to give back to Washburn while you're shopping at Dillons through the company's Community Rewards Program! For every purchase you make at Dillons using a registered Plus card, the Alumni Association gets a credit. The more you shop at Dillons using the Plus card, the more opportunity we have to earn bigger rewards.

You'll need three things to sign up for the program online: 1. A Plus card, available at any store by asking an associate; 2. A valid email address; 3. A personalized account on the Dillons website, which you can quickly register for online. To enroll, follow these steps:

- 1.** Go to [www.dillons.com/communityrewards](http://www.dillons.com/communityrewards)
- 2.** Sign in or create an account (a short process with instructions online. The register button is located at the top of the page)
- 3.** Click on "enroll now"
- 4.** Enter the five-digit NPO number (33917)
- 5.** Select your organization and click on "enroll"

If you prefer to enroll by telephone, call 1.800.576.4377, option three. If you have questions, contact Dillons at the aforementioned number or [dcr@dillonstores.com](mailto:dcr@dillonstores.com).

**Note:** Participating in the Community Rewards Program does not affect the fuel rewards points you accumulate at Dillons. You can still individually accumulate those points, in addition to community rewards for the Alumni Association
