WASHBURN UNIVERSITY

INTRAMURAL DISC GOLF RULES

1. **ALL PARTICIPANTS MUST BRING THEIR CURRENT WASHBURN PICTURE ID TO PLAY.** ID checks may be made to verify eligibility of players. Players without proper ID will not be allowed to participate. Washburn Intramural guidelines concerning eligibility are in effect.

2. Participants are highly encouraged to register through IMLeagues.com

3. All participants will compete as individuals. Tee times will be in groups of three or four.

4. All players will check in with the intramural representative at the first tee box at least 10 minutes prior to tee time.

5. When teeing off, you may not cross the front edge of the tee until you have released the disc. A run-up is allowed on tee shots.

6. All shots should be played from the spot where the previous shot landed. Mark you spot. Your foot must be on or behind your marker when you release the disc.

7. You may run-up on a fairway shot as long as your foot does not go past your marker.

8. The player farthest from the hole throws first.

9. You may not fall on putts. You cannot touch the ground past your marker until you have regained complete balance.

10. There are no do-overs or gimmies. All throws count as one stroke.

11. The disc must land and remain in the basket for the putt to count. It does NOT count if it lands on top of the basket, bounces out of the basket, or even if it falls through the basket.

12. If your disc gets stuck eight feet or higher off the ground, take a penalty shot and play the shot directly below where it stuck.

13. If your disc goes in a marked out of bounds spot, take a penalty shot and play the shot where it went out.

14. Following end of the eighteenth hole, turn scorecard in to the intramural representative at the first tee box.

15. Tie-breaker: Best score on eighteenth hole. If still tied, scores from 17th hole will be compared, then 16th, working back until a winner is determined.
