REGISTRATION:

Eligible recipients of educational assistance must certify their enrollment <u>each semester</u> through the Student Services Office to assure continuous benefits. When changes in enrollment occur, such as dropping courses, not attending class, or not formally withdrawing from the University, the student must submit a report of mitigating circumstances. The VA expects veterans to pursue an educational objective, file a degree plan with Student Services, regularly attend classes, and make satisfactory progress.

Veterans wishing to receive full monthly benefits must be enrolled fulltime (12 or more hours) FOR THE ENTIRE TERM. Enrollment in short-term classes results in payment only for the duration of those courses. Persons entitled to a Monthly Housing Allowance under the Post-9/11 GI Bill (Chapter 33) must be enrolled in more than half time each semester; allowance is prorated based on rate of pursuit, e.g. 34 or fulltime.

Reminder: Independent study courses must not exceed one-half of the total hours attempted for the semester.

Effective August 1, 2011, break or interval pay is no longer payable under any VA education benefit program. This means that when your semester ends (e.g. December 14), your benefit covers the first 14 days of December and begins again when your next semester begins (e.g. January 14) and is paid for the remaining days of January. Monthly benefits will be pro-rated.
