General Information: Change □  Deletion □

1. Reason for this program change or deletion?
   Ongoing lack of student majors pursuing this concentration, making it difficult to offer several classes required in the degree plan.

2. Complete revised description (including program title, requirements, courses within program, credits, and prerequisites)

Deletions

3. Is the program being deleted from the catalog being replaced with another program? Yes □  No □
   If so, please explain.

4. Is the content of this program being distributed to another program?

Changes

5. Describe the nature of the proposed change.
   The Health Education and Promotion Concentration will no longer be a stand alone Bachelor of Arts degree concentration. Students interested in careers related to Health Education/Promotion can pursue this through the Bachelor of Arts - Flexible Option.

6. Do you currently have the equipment and facilities to teach the classes within the proposed change?
   Approved by Faculty Senate  October 25, 2010
