

**BROCK ROBERT  
SPRING 2024 SIBBERSON RECIPIENT  
SCHOOL OF BUSINESS**

Brock is graduating with a Bachelor of Business Administration in Data Analytics and Economics. After graduation he plans to work in the public or private sector as a data analyst or a related position. He wants to focus on using and developing his analytical skills through experience and learning from others. He has done so by having two data related internships with organizations in Topeka. In the future, he plans to pursue a Master of Business Administration.

Brock is a member of Beta Gamma Sigma. He also participated in intramural sports throughout his collegiate years. Brock spent time volunteering with Harvesters to distribute food to those who were in need.

Brock received the Gigous Business Scholarship, Alumni Association Scholarship WEA, Stewart Scholarship WEA, Desmond WEA Scholarship, Davidson Scholarship, A Holliday & L Jones Business Scholarship, Stark Business Leadership Scholarship, Blair Scholarship, Edward & Eileen McClintock Scholarship, Washburn University General Academic Scholarship and Service WEA Scholarship.
