

MyMathTest

Welcome Washburn Students!

MyMathTest is a dynamic, interactive testing program. Access to the MyMathTest program has been provided for you by Washburn University.

Before You Begin:

To register for MyMathTest you will need:

- A MyMathTest student access code: **WSSMMT-RADII-SYNCH-ISSUE-BEGOT-MACAW**
- Your school's zip code: **66621**
- A valid email address

Student Registration:

- Go to www.mymathtest.com and click the **Register** button under "New User".
- [Please read all information in the License Agreement and Privacy Policy. Click on **Accept** if you agree to the terms.](#)
- Follow the instructions on the screen to create your personal login and password.
- Type in your student access code (provided above) using the tab key to move from one box to the next.
- Enter your first and last name and email address. Re-type your email address to make sure it is correct.
- Select United States from the School Country drop-down menu.
- Enter your school zip code (**66621**) and select **Washburn University** from the school drop-down list.
- Select a security question and answer to ensure the privacy of your account.
- When your registration process is complete you will see a confirmation screen. This information will also be emailed to you. Please be sure to save or print your login name, password, and account information.
- Click **Log In Now** and then click on **Enter MyMathTest** to begin.

Logging In:

- Go to www.mymathtest.com and enter the login name and password you created. Click on Enter MyMathTest.
- The first time you log in you need to enroll in your Washburn U Math Readiness program.
- Type in the program ID shown below. Then verify the correct program name.
XL2Y-P169-201Y-2EV2 - Math Readiness
- The program opens to the announcements page, please review all program information.
- If you are using your home computer **run the Browser Check**. It will detect and then help you install the plug-ins you need to access the math exercises and multimedia content in your MyMathTest program. Follow the screen instructions to complete this process.
- After completing the browser check process and closing the wizard you will be back on your program home page.
- After review of the **How to enter Answers** tour you are ready to begin working with MyMathTest.
