

## Wenying “Nan” Sun

Computer Information Sciences  
Washburn University  
1700 College Avenue  
Topeka, KS 66621, USA  
785-670-2102  
nan.sun@washburn.edu

### Education

Ph.D. in Information Systems  
University of Kansas, Lawrence, Kansas (2011)

Master of Software Engineering  
Kansas State University, Manhattan, Kansas (2002)

Bachelor of Arts, Computer Information Systems  
Washburn University, Topeka, Kansas (1994)

Bachelor of Arts, English  
East China Normal University, Shanghai, China (May, 1989)

### Certification

Certified Software Development Professional (CSDP), granted by IEEE Computer Society

### Professional Work Experience

*Washburn University, Topeka, Kansas*

Assistant Professor, Associate Professor, Professor – August 2002 – Present

Courses taught: Computer Competency and Internet, Introduction to Computer Science, Introduction to Structured Programming, Visual Programming using Visual Basic, Visual Programming using C#, Java Programming, Computer Networks, Operating Systems, Software Engineering, Database Management Systems, SQL Server for Developers, Systems Analysis and Design, CIS Research, Business Statistics, Senior Capstone, and Senior Seminar.

*Kansas Foundation for Medical Care, Inc., Topeka, Kansas*

Programmer Analyst - March 1997 – August 2002  
- January 1995 - November 1995

Providing programming and analysis services to support health care quality improvement projects and case review activities. Designing, developing, and maintaining databases and applications in FoxPro, MS Access, and Oracle.

*Topeka Public Schools, USD 501, Topeka, Kansas*

Applications Specialist - November 1995 - March 1997

Designing, developing, and maintaining applications in FoxPro, Cobol, CICS, IDEAL, and Datacom SQL.

*Monaco Associates, Inc., Topeka, Kansas*

Programmer - January 1998 - August 1998 (part time)

Enhancing applications in Visual Basic and developing reports using Crystal Reports.

*Zhejiang Normal University, Jinhua, Zhejiang, China*

Instructor - July 1989 - May 1991

Courses taught: Freshmen English Reading, Freshmen English Grammar.

### **Professional Interests**

Database Management Systems  
Software Engineering  
Systems Analysis & Design  
Global Information System Issues  
Information Systems in Health Care  
Agile Software Development  
Distributed Systems

### **Publications**

**This paper won 2015 IACIS Jay Liebowitz Student Research Award.**
- 39) Hezekiah J. Phelps, Jacob Dobler, Zachery T. Glenn, Wenying Sun (2013), "The Effect of Social Activities on Pair Programming: Results from an Experiment", Issues in Information Systems, 14(1).
- 40) Skyler J. Bock, Lindsay J. Taylor, Zachary E. Phillips, Wenying Sun (2013), "Women and Minorities in Computer Science Majors: Results on Barriers from Interviews and a Survey", Issues in Information Systems, 14(1).  
This paper won 2013 IACIS Jay Liebowitz Student Research Award.
- 41) Taylor Drain, Keisha Grier, Wenying Sun (2012). "Is the Growing Use of Electronic Devices Beneficial to Academic Performance? Results from Archival Data and a Survey", Issues in Information Systems, 13(1), 225-231.  
**This paper won 2013 IACIS Jay Liebowitz Student Research Award.**
- 42) Elizabeth Unrein, Delaney Fish, Joshua Boeker, Wenying Sun (2012), "Living in Denial – A Comparison of Distributed Denial of Services Mitigation Methods", Issues in Information Systems, 13(1), 190-198.

*Winner of Ben Bauman Award for Excellence*, October 2017, which was presented by the International Association for Computer Information Systems in recognition of exceptional promise and excellence as a university faculty member.

*Winner of the Director's Award*, October 2015, which was presented by the International Association for Computer Information Systems Board of Directors in recognition of excellence in guiding student academic achievement and contributing to the IACIS mission of developing knowledge and skills of information systems and technology professionals.

## **Presentations**

- 1) "Explaining the Gap between Enrollment and Employment in Computer Information Sciences", presented in the 55<sup>th</sup> International Association of Computer Information Systems Conference, Clearwater, Florida, October 2015.
- 2) "Cost Effectiveness of Programming Methods – A Replication and Extension", presented in the 20<sup>th</sup> Americas Conference on Information Systems, Savannah, Georgia, August 2014.
- 3) "Do Software Professionals' Job Perceptions Differ in Organizations Adopting Different Software Process Models? A Survey from the Industry", presented in the 19<sup>th</sup> Americas Conference on Information Systems, Chicago, Illinois, August 2013
- 4) "Information Technology and Human Factors Affecting the Accuracy of the Active Medication List: An Empirical Study Based on Three Hospitals", presented in the 19<sup>th</sup> Americas Conference on Information Systems, Chicago, Illinois, August 2013
- 5) "Economics of Pair Programming Revisited", presented in the 18<sup>th</sup> Americas Conference on Information Systems, Seattle, Washington, August 2012
- 6) "Information Technology and Human Factors Affecting the Accuracy of Automated Patient Medication Reporting Systems", presented in the 52<sup>rd</sup> Annual International Association of Computer Information Systems Conference, Myrtle Beach, South Carolina, October 2012
- 7) "The True Cost of Pair Programming: Development of a Comprehensive Model and Test", presented in the International Conference on Information Systems Doctoral Consortium, St. Louis, December 2010
- 8) "The True Cost of Pair Programming: Development of a Comprehensive Model and Test", presented in the 15<sup>th</sup> Americas Conference on Information Systems, San Francisco, California, August 2009
- 9) "The True Cost of Pair Programming: Development of a Comprehensive Model and Test", presented in the Big XII Plus IS Symposium, University of Nebraska, April 2009
- 10) "There All Along? A Preliminary Meta-Analysis of the Moderating Gender Effects in Technology Acceptance Research", presented in the 14<sup>th</sup> Americas Conference on Information Systems, Toronto, Canada, August 2008
- 11) "There All Along? A Preliminary Meta-Analysis of the Moderating Gender Effects in Technology Acceptance Research", presented in the Big XII Plus IS Symposium, University of Texas Tech, April 2008

- 12) “Transnational Higher Education: Issues Effecting Joint Degree Programs among US and Chinese Schools”, presented in the 47<sup>th</sup> Annual International Association of Computer Information Systems Conference, Vancouver, October 2007
- 13) “U.S. vs. China: Women Faculty in Computer Science”, Presented in the 46<sup>th</sup> Annual International Association of Computer Information Systems Conference, Reno, NV, October 2006
- 14) “An Evaluation of Three Chinese CS&T Curricula”, Presented in the 11th Americas Conference on Information Systems, Omaha, Nebraska, August 2005
- 15) “Finding an ‘Ideal’ Model for our Capstone Experience”, presented in the 13th Annual Consortium for Computing Sciences in Colleges Rocky Mountain Conference, Utah Valley State College, Orem, Utah, October 2004
- 16) “Implementing the IEEE/ACM CC2001-CS Model”, Presented in the 12th Annual Consortium for Computing Sciences in Colleges Rocky Mountain Conference, Western New Mexico University, Silver City, New Mexico, October 2003
