May 16 – 27, 2018

Traditions, Literary Histories and the Culture of London and Paris is a three-credit, 12-day, May 16-27, 2018, student study abroad program co-sponsored by the Washburn University's Kinesiology Department and the Department of Education. Students from all departments at Washburn University travel within England and France in to better understand the impact of sport and literary histories in London and Paris. In London we go on a bus tour of the city, see a play at the famous Shakespearian Globe Theatre, attend a soccer or cricket match and/or visit Wembley Stadium and tour Wimbledon stadium. On a free-day student can choose to travel to the city of Oxford. In Oxford students will be visiting Christ Church College at Oxford University where Lewis Carroll lived and wrote the books, Alice in Wonderland and Through the Looking-glass. Traveling to Paris we will view a tennis match at the French Open and visit the salon of Gertrude Stein where Ernest Hemingway, among others, frequented during the 1920's-1930's. Upon arriving in Paris we will be bused on a city tour and that evening visit the Eiffel Tower in lights.
