SCHOOL OF NURSING**

**PRECEPTOR ORIENTATION EVALUATION**

The Kansas State Board of Nursing requires that schools of nursing provide an orientation and evaluation of the orientation of all preceptors.

Please complete the following information and return it to Jane.Brown@washburn.edu  
Thank you

	Yes	No	Comments
1. The orientation material found on the website was helpful.			
2. The NONPF videos helped me to mentor students.			
3. The instructions for eLogs were easy to follow.			
4. The DNP Handbook was useful in understanding the requirements of the program and students.			
5. Instructions received in the preceptor introduction letter provided sufficient detail on expectations of the student clinical experience			

What suggestions do you have to improve this orientation process?
