ENROLLMENT GUIDELINES FOR STUDENTS

1. No student may enroll for more than 20 hours without the consent of the Dean of the academic unit where the student is declared. (Undeclared students go to the Dean of the College of Arts and Sciences.)
2. Undergraduate courses in which the student receives a D or an F may be repeated. Any undergraduate course in which the student receives a C or better may be repeated with the approval of the Department Chair. Only the repeated grade will be included in determining the cumulative grade point average. It is the responsibility of the student to report repeated courses to the University Registrar's Office. Repeated courses will also be noted by the University Registrar's Office when such circumstances are identified. Students who are taking graduate courses may repeat courses in which they received a grade of C, D, or F if the repeat is granted by the dean/chair of the department offering the course.
3. A freshman is limited to 17 credit hours per semester except under approval by the faculty advisor and the appropriate Dean.
4. Freshmen whose last names begin with A-K take EN101 during the fall semester, and those L-Z during the spring semester.
5. A/pass/fail option may be selected for one course outside the major area of study with 30 hours and a 2.0 GPA. Through **March 29** (for a 16-week course), students are allowed to switch from A/pass/fail status to grade status or grade to A/pass/fail status (if qualified). However, only one course per semester (in addition to any courses taught only A/pass/fail) may be selected.
6. Students enrolled for Audit may convert to credit status by **January 18, 2019**. Students may not change from grade or A/pass/fail to audit after **February 1, 2019**.
7. Students withdrawing from 16-week courses through **January 26, 2019** will not have W's recorded on their transcripts.
