Advance Registration and Open Registration for Spring 2019 are available to students on the Web. If you are eligible, you can enroll from home, work (if not prohibited by firewalls), or on campus through your MyWashburn account. The majority of students who are currently enrolled in Fall 2018 may participate.

FACTS YOU NEED TO KNOW
The groups of students who must enroll in person and are NOT eligible to enroll on the Web are:
- High School Students (see page 11)
- Washburn Institute of Technology students seeking an Associate Degree at Washburn University must go to Benton 306

You may register and/or change your course schedule during and after your specified time of the CLASSIFICATION SCHEDULE, and at any time during the OPEN REGISTRATION period.

If you have a hold, the system will not allow you to register until it has been cleared.

After registering your courses, view your course schedule to make certain it is accurate.

If you change your mind about any courses, you may add and drop as often as necessary during and after your classification schedule and Open Registration. Be certain to check again to verify that your schedule did change.

The Student One Stop in Morgan Hall 101A (Morgan Hall Welcome Center) will assist those students having difficulty enrolling.

Dates, times, and enrollment schedules may vary.

Instructions for Web Enrollment are listed on page 5 and instructions are on each screen on the web. Follow the instructions carefully.

ENROLLMENT GUIDELINES FOR STUDENTS

1. No student may enroll for more than 20 hours without the consent of the Dean of the academic unit where the student is declared. (Undeclared students go to the Dean of the College of Arts and Sciences.)
2. Undergraduate courses in which the student receives a D or an F may be repeated. Any undergraduate course in which the student receives a C or better may be repeated with the approval of the Department Chair. Only the repeated grade will be included in determining the cumulative grade point average. It is the responsibility of the student to report repeated courses to the University Registrar’s Office. Repeated courses will also be noted by the University Registrar’s Office when such circumstances are identified. Students who are taking graduate courses may repeat courses in which they received a grade of C, D, or F if the repeat is granted by the dean/chair of the department offering the course.
3. A freshman is limited to 17 credit hours per semester except under approval by the faculty advisor and the appropriate Dean.
4. Freshmen whose last names begin with A-K take EN101 during the fall semester, and those L-Z during the spring semester.
5. A/pass/fail option may be selected for one course outside the major area of study with 30 hours and a 2.0 GPA. Through March 29 (for a 16-week course), students are allowed to switch from A/pass/fail status to grade status or grade to A/pass/fail status (if qualified). However, only one course per semester (in addition to any courses taught only A/pass/fail) may be selected.
6. Students enrolled for Audit may convert to credit status by January 18, 2019. Students may not change from grade or A/pass/fail to audit after February 1, 2019.
7. Students withdrawing from 16-week courses through January 26, 2019 will not have W’s recorded on their transcripts.

TUITION AND FEES

We invest in our students by striving for excellence in our academic offerings, and in providing superior customer service. While Washburn University makes a special effort to help our students achieve their educational goals, the ultimate responsibility rests with each student. Individual student responsibility is also expected for financial obligations. Financial aid and alternative payment arrangements may assist students in
meeting their obligations but **IT IS THE RESPONSIBILITY OF EACH STUDENT TO PAY ALL OUTSTANDING COSTS OF COLLEGE ATTENDANCE ON A TIMELY BASIS** as defined by Washburn University policies. Failure to remit outstanding balances due to Washburn University within published deadlines will incur penalties as defined in this policy. It is not the intention of Washburn University or the Business Office to be punitive in enforcing this policy, but to ensure that Washburn University will continue to have the financial resources necessary to provide the quality education students expect to receive.

**Payment of Tuition**

The University reserves the right to correct clerical errors.

Spring 2019 tuition and fees must be paid in full by **Friday, January 25, 2019** or a payment plan must be set up. Spring 2019 charges and payments will be assessed to registered students in mid to late December and automatically thereafter as enrollment occurs or changes. See full details of payment options in the Web Enrollment Instructions.

Students who have completed advance/open registration but do NOT intend to attend Washburn during the Fall 2019 term **MUST** drop their courses. Students **MUST** withdraw to avoid charges for which they will be liable.

Students who plan to withdraw from all registered courses, or the last/only course for a given term must contact Mallory Riley in the Center for Student Success and Retention at 785-670-2098 for assistance. You cannot drop your last/only class online.

Students who plan to withdraw from all registered classes, or the last/only registered course for a given term must withdraw from the University by visiting Mallory Riley in the Center for Student Success and Retention in the Mabee Library.

Students who are out of town may call Mallory Riley at 785-670-2098 for assistance over the phone. If there is no answer, please leave a message with your name, WIN, return-call phone number and a brief message.
Students who stop attending, but do not go through the Complete Withdrawal process may receive a failing grade in any remaining course(s) and remain financially obligated to pay for the course(s).*

*Please see the Semester Calendar on page 2 of this Registration Information Guide for tuition refund dates and applicable percentages.

For payment, Washburn University accepts cash, paper checks, money orders, PIN-based debit cards, and employer authorizations in person at the cashier windows in Morgan Hall 103-O. Checks or money orders (payable to Washburn University) can be mailed to the Business Office. For online payments in WU-View, webcheck, debit card, and credit card* payments are accepted. No credit card payments are accepted at the cashier window or by phone. Please take into account that checks received at the cashier window and webcheck payments submitted online are sent to the bank electronically on a daily basis. If a student or parent remits a check that is returned for insufficient funds, no personal check or webcheck payment will be accepted to repay that obligation. Any scholarships, grants, or loans released by the Financial Aid Office to the student’s account will be applied first to tuition and fees. Students are able to check whether or not the Financial Aid is ready by accessing their My Washburn student account.

If a student cannot pay the full amount of tuition and fees prior to the first class, payment plans of three or four installments are available via WU-View. A student must enroll in a payment plan by the term payment deadline of January 25, 2019. No interest is charged for an installment plan but a $30 set up fee will be charged.

Through WU-View, students and authorized users have the ability to check the current balance and monitor all charges and payments.

It is the student’s responsibility to pay all outstanding charges or to set up a payment plan by the payment deadline of Friday, January 25, 2019.

WU-View – Washburn Online Account Info
NOTIFICATIONS OF FINANCIAL COMMITMENT ARE MAILED EARLY IN THE FALL AND SPRING TERMS ONLY.
ELECTRONIC BILLS ARE SENT TOWARDS THE END OF EACH MONTH TO ALL STUDENTS WITH A BALANCE DUE.

Log into My Washburn, go to the Financial Services tab, and click on WU-View in order to:

- Set up parents or others as authorized users. Those authorized users can then:
  - View the student’s financial account;
  - Receive copies of eBills generated each month;
  - Set up automatic payment arrangements or make online payments
  - Discuss the student’s account with the Business Office.

*Online credit card payments are charged a credit card convenience fee of 2.85% of the amount being paid (minimum fee of $3.00) to cover processing costs.

WU-View eBills are sent to a student’s Washburn email account near the end of each month throughout the semester and reflect activity only up to the time the eBill is generated. Check Current Activity to see the most recent activity on the account. Authorized users (in WU-View) will receive these eBills as well, unless the student revokes the authorization.

Information accessed via the web is the most current available to the student. Students should check their account balances periodically to watch for changes to their account.

Liability for Charges
Once a student has enrolled in classes, he/she is liable for tuition and fee charges unless the student withdraws from classes via the web prior to the start of class.

Activity fees are non-refundable once the term begins. Tuition charges for courses from which a student has withdrawn will be removed from the student account according to the following schedule* for Fall 2018:

Through January 25, 2019.............................................100%
January 26 – February 1, 2019.................................40%
February 2 – February 8, 2019...................................20%
After February 8, 2019...............................................0%

*Tuition charges for classes that are LESS than full term from which a student has withdrawn will be removed according to a prorated schedule available on the Business Office website under Tuition Refunds/Refund Dates by Course. Contact the Business Office at (785) 670-1156 if you have questions.

Having tuition charges removed from the student account does not necessarily mean there will be a refund. In fact, if withdrawal from one or more classes results in having financial aid removed as well, the student may owe a balance. Students considering withdrawing from one or more classes need to be sure that the financial implications are clearly understood before withdrawing.

If a student withdraws from one or more classes in which he/she has enrolled, it may be necessary to return all or a portion of the Title IV financial aid (Pell, SEOG, and loans) received for the term as required by Federal regulations. This means that if the student was refunded excess...
financial aid, he/she will have to repay Washburn University for the amount of aid that has been returned.

**Students who plan to withdraw from all registered courses, or the last/only course for a given term must contact Mallory Riley in the Center for Student Success and Retention at 785-670-2098 for assistance. You cannot drop your last/only class online.**

Students who plan to withdraw from all registered classes, or the last/only registered course for a given term must withdraw from the University by visiting Mallory Riley in the Center for Student Success and Retention in the Maybe Library.

Students who are out of town may call Mallory Riley at 785-670-2098 for assistance over the phone. If there is no answer, please leave a message with your name, WIN, return-call phone number and a brief message.

**Students who stop attending, but do not go through the Complete Withdrawal process may receive a failing grade in any remaining course(s) and remain financially obligated to pay for the remaining course(s).***

*Please see the Semester Calendar on page 2 of this Registration Information Guide for tuition refund dates and applicable percentages.

Please note that the Student Activity Fee (not applicable for summer courses) is only refundable up to the first day of the term and is non-refundable once the term begins, even if the student withdraws from all classes. Refunds and/or charges due to a student leaving campus housing are governed by the terms of the housing contract.

**Refunds**

If a student account has a credit balance, a refund will be generated, except in the case of non-refundable payments, such as from a third party. The preferred method of refunding excess financial aid to the student is via direct deposit to a checking or savings account, (which the student sets up in WU-View, Electronic Refunds). Parents will receive refunds from Parent PLUS loans in the form of a check sent by mail only.

Students who do not have direct deposit may pick up a check. Specific dates, times and places for that process are posted on My Washburn and on the Business Office Web page (washburn.edu/business-office). Students may also request that a check be mailed. Students can update their mailing address through their My Washburn account. **PLEASE** make sure that your address information is correct. Checks not picked up after 7 to 10 business days are mailed to a student’s current address if one is available. Checks issued at the first disbursement for the Fall and Spring terms may be held longer before being mailed unless the student contacts the Business Office and requests the check be mailed.

Due to the unique nature of the various programs offered, cancellations and refunds for non-credit offerings may be different depending on the program or course. If a student is unable to attend a course, he/she should refer to the cancellation and refund policies established for each program as indicated in the program brochure, on the program web page, or contact the coordinator responsible for the program. If a policy is not specified, the program office must receive the request for a refund no later than three (3) business days prior to the start of the program to receive a full refund. No refunds will be granted once the program begins.

**Delinquent Payments**

Unpaid balances are subject to the imposition of late charges and may incur collection fees should we need to use a collection agency to recover the balance. Additionally, a Business Office hold will be placed on the account, which will prevent the release of transcripts and diplomas, as well as preventing enrollment in subsequent terms. **ALL outstanding charges must be paid before enrollment in subsequent terms will be permitted.**

**Late charges** are applicable to those students who have not paid their outstanding balances or set up an installment plan by the payment deadline. Students who do not meet this deadline are charged a single late fee according to the number of credits in which they are enrolled:

<table>
<thead>
<tr>
<th>Credits</th>

<tr>
<td>0.5 – 3.00</td>

<td>6.50 – 9.00</td>
<td>$ 75.00</td>
</tr>
<tr>
<td>9.50 or more</td>
<td>$100.00</td>
</tr>
</tbody>
</table>

**Delinquent installment fees** are applied to those students who are enrolled in a payment plan but have not paid their installment payment on or before the due date specified. Delinquent installment fees are $25.00 for each late or incomplete payment. Installment payments can be made at the cashier windows, Morgan Hall 103 (east of the main lobby) during regular business hours. Payments can also be made by mail or 24/7/365 via WU-View. No payments can be made over the telephone.

Students with financial aid should check to make sure financial aid has been released to their student accounts by the payment deadline. If a student’s financial aid is delayed because his/her FAFSA was not submitted in a timely manner, or other requirements to receive financial aid were not completed in a timely manner, the student...
will still be obligated to meet the January 25, 2019 deadline. If the application of financial aid to the student account is delayed through no fault of the student, the late charge will be waived provided the student has paid any balance that will not be covered by financial aid by the payment deadline above.

Additional Information
Classes added after the initial enrollment will be charged 100% of the tuition rate. (Tuition and/or fees are never prorated.)

Tuition charges for classes from which a student has withdrawn will be removed according to the schedule given above. There are a few exceptions; such as transferring from one section of a class to another (e.g., EN300A to EN300C).

The tuition charge per credit hour is applicable to all parts of term such as regular semester, evening programs, etc., whether taken for credit or audit.

STUDENT IDs
All students are required to carry the iCard, Washburn University’s ID.

New students may obtain their ID on the main level of the Memorial Union in the Ichabod Service Center. Bring one (1) form of government issued photo ID, such as your driver’s license, passport, or military ID.

Returning Students – your cards will be automatically electronically updated for current student access after you have paid your fees. You do not need to stop in the office. *We observe University Holidays * Extended operating hours are available during enrollment. Please call for dates and times (785) 670-1188 or visit www.washburn.edu/icard

Deposit money on your iCard for use on purchases at participating University locations: Dining Services, Ichabod Shop, University Libraries, Washburn Athletic Department, University Theatre, Vending/Concessions, and University Mailing and Printing Services (UMAPS). The iCard is your photo ID for University services: Library circulation, use of the pool in Petro Allied Health Center, recreational services in the Student Recreation and Wellness Center, and attendance at special music, theatre, and athletic events. The iCard also provides the meal plan access for residence hall students and door access on campus.

By opening a US Bank account you can turn your iCard into your ATM/debit card and/or student checking account. US Bank has made it easy for you to manage your money with a great student checking account.

Online credit courses are available in a variety of subjects. These courses require that you have access to the Internet or use campus computer labs to access Desire2Learn course materials. Some of the courses may require periodic on-campus sessions or proctored exams.

To view the list of online courses, go to washburn.edu/schedule and click the Course Schedule link for the proper term. You may enroll in an online course the same way you enroll in any other WU credit course (refer to the registration section of the Registration Information Guide for specific enrollment information). To access online courses, faculty and students should login to MyWashburn at https://my.washburn.edu. Direct access to your online courses is located on the MyCourses tab in MyWashburn by clicking on the course name. Online courses may also be accessed directly through Desire2Learn at https://d2l.washburn.edu/. Login using your MyWashburn username and password. Students should also change their MyWashburn time out setting from the default value in “My Account Preferences” inside MyWashburn to at least 120 minutes to avoid timing out while working in an online course. Care should be taken to log out completely when finished. All students enrolled in online courses have access to the Online Student Resource Center. To access the Desire2Learn Orientation, within D2L, select My Home in the upper left. From the Table of Contents, select the Desire2Learn Orientation module. The D2L Help Files link in the upper right everywhere in D2L directs students to additional resources from Desire2Learn. Students new to online classes are strongly encouraged to review the orientation material before or during the first week of classes.

The student training and orientation covers each of the tools and answers some of the most commonly asked questions. For technical support with online classes email online-ed-support@washburn.edu or call (785) 670-2381. Phone support is available Monday through Thursday, 8 a.m. – 9 p.m. central time, and Friday 8 a.m. – 5 p.m. Email support is available all the time except for official holidays and University closings. Online Education Support staff will answer emails within 24 hours.
The Washburn Transformational Experience (WTE) is a one-of-a-kind program available to all Washburn University undergraduate students. The main objective of the WTE program is to transform students into a new kind of individual (i.e., think or act in a way different from before). The WTE goes beyond the everyday classroom experience. Students, under the guidance of a faculty member of their choosing, have the opportunity to participate in an activity that reflects their interests and that will enhance their lives. Students are strongly encouraged to complete more than one of the transformational experiences listed below. Students interested in completing a WTE should contact a faculty member of their choice or the appropriate WTE Area Director (below).

**Community Service**  
Dr. Rick Ellis, Benton Hall 405, (785) 670-1950  
*Purpose:* Students who have engaged with faculty members and other students in significant, meaningful community service, and who have been guided to reflect on the power and purpose of these experiences, graduate from the University as citizens who are not resigned to accepting the community as it is but have a vision for how they can help make the community better.

**International Education**  
Baili Zhang, International House, (785) 670-1051  
*Purpose:* Students who have studied abroad or been thoroughly exposed to the richness of history and culture beyond our shores graduate from the University ready to contribute to a fast-paced global society in which information is delivered instantly around the world.

**Leadership**  
Dr. Michael Gleason, Benton Hall 408, (785) 670-2001  
*Purpose:* Students who serve in leadership roles are transformed by improved self-understanding derived from practical experience and examination of inspirational examples of selfless leadership service; they graduate from the University as citizens who recognize the abundance of leadership opportunities and are ready to accept the mantle of responsibility that comes with these opportunities.

**Scholarly or Creative**  
Dr. Mike Russell, Henderson 211, (785) 670-1566  
*Purpose:* Students who have engaged with faculty members to advance knowledge, to create music or art or literature, or to participate in other experiences that require a high level of intellectual stimulation or achievement, graduate from the University prepared to solve increasingly complex problems and to sort through complex and sometimes contradictory information in order to gain fresh insight.

The specific requirements for each WTE can be located at [washburn.edu/wte](http://washburn.edu/wte).
Admissions

washington.edu/admissions

Students are admitted as degree candidates, non-degree seeking, or non-credit auditors according to their personal goals and academic background. The requirements for degree-seeking applicants are as follows:

1. **An Application for Admission** must be completed by all first-time students and by former students who have not been enrolled over the past two calendar years. An Application for Admission can be accessed online at washington.edu/admissions.

   Returning students who were enrolled after 2004 can complete the online form to have their account reactivated if they will be staying within the same classification. If a student was classified as Non-degree seeking and wishes to become degree seeking, they must fill out a new application for admission.

2. An application fee of $20 must be paid online, with a credit/debit card, or mailed for all first-time degree-seeking undergraduate students.

3. **Official high school or GED transcripts** are required of all degree-seeking applicants and transfer students with fewer than 24 hours of college work completed.

4. **Official transcripts of all previous college work from each institution attended** must be submitted prior to enrollment by all degree-seeking applicants.

**Adults (21 years or older):**

- Students who are 21 years of age or older by September 1 for the fall term, February 1 for the spring term or June 1 for the summer term who will be transferring less than 24 completed hours from a postsecondary institution.

**Transfer Students**

Transfer students who have attended a postsecondary institution must submit an official transcript from each regionally accredited postsecondary institution previously attended. To be official, transcripts must be sent directly from each school to the Office of Admissions at Washburn University. Faxed transcripts are not considered official. If the student has completed fewer than 24 college or vocational hours and is degree seeking, additional material may be required for admittance.

Entering degree seeking transfer students must have an application, $20 processing fee, and all transcripts on file in the Office of Admissions by the respective beginning term deadline. Those students unable to meet the minimum admissions standards due to unusual circumstances may be considered on a case-by-case basis by the Director of Admissions. Transfer students desiring additional information should call (785) 670-1030.

Regular admission for transfer students is based on number of hours completed and cumulative GPA.

   - 1-29 cumulative hours ≥ 1.8 cumulative GPA
   - 30-59 cumulative hours ≥ 1.9 cumulative GPA

Transfer students who do not meet the regular admissions standards can be admitted by exception. The acceptance is based on number of hours completed and cumulative GPA.

   - 0-23 cumulative hours ≤ 1.79
   - 24-29 cumulative hours ≥ 1.6-1.79 cumulative GPA
   - 30-59 cumulative hours ≥ 1.7-1.89 cumulative GPA
   - 60-89 cumulative hours ≥ 1.8-1.99 cumulative GPA
   - 90+ cumulative hours ≥ 1.9-1.99 cumulative GPA

Credits and grades earned in courses which are not acceptable from a transfer school will not be counted in the final grade point average or total hours earned at Washburn University.
To determine whether transfer coursework has been approved as satisfying Washburn University's general education program, students can access the on-line transfer guide at washburn.edu/transfer-guide. A general education transfer application process is available to students who believe a transfer course meets the spirit and intent of the Washburn University general education criteria. The application is available at washburn.edu/faculty-staff/faculty-resources/policies-forms/forms/gen-ed-transfer_petition.pdf. Students should work through their academic advisors to pursue this option. Transfer students who have completed a baccalaureate degree at an accredited institution of higher education are considered to have satisfied general education requirements, and are therefore not required to meet Washburn University's specific general education requirements. This includes all aspects of the general education degree requirements and the University requirements. Courses satisfactorily completed in the Arts & Humanities, Social Sciences, and Natural Sciences & Mathematics as part of an AA or AS will be accepted towards credit in the appropriate general education distribution area. Washburn baccalaureate graduates who are returning to pursue an additional degree are considered to have satisfied general education requirements in the same manner as transfer students. At least 60 hours of the 124 hours required for the baccalaureate degree must be taken at a 4 year college or university.

Returning Student Reactivation

Students who attended Washburn University after 2004, and wish to come back, may be eligible to complete the reactivation process. Those wanting to go through this process must submit the online reactivation form (http://washburn.edu/admissions/apply.html) and an official transcript from each regionally accredited post-secondary institution attended, if not previously submitted. A letter and email will be sent to students within 3-4 business days notifying them of their status and additional instructions. Students will be reactivated in the same status in which they left. Any student who wishes to change statuses (e.g. non-degree seeking to degree seeking, undergraduate level to graduate level, or from a high school student to a regular undergraduate student) must submit a new application for admission. Students who were academically suspended may use this form, but must contact the Advising Office (785 670-1942 or advising@washburn.edu) to complete the process for academic reinstatement. These students will not be reactivated until approval for reinstatement is received.

Returning students desiring additional information should contact the Student One Stop at (785) 670-2162. Scholarships

Washburn University provides academic and departmental scholarships to eligible students.

Academic scholarships are awarded to incoming, direct from high school, freshman and transfer undergraduate students based on specified criteria and availability of funds. If awarded an academic scholarship, to renew these funds, students must complete the Academic Scholarship Renewal Application each year by the December 1 deadline, as well as successfully complete 24 credit hours between the fall and spring semesters with the required cumulative grade point average established upon your initial scholarship award.

Only undergraduate students working on their first baccalaureate degree are considered eligible for Washburn University academic scholarships. Academic scholarships are available up to a maximum of eight consecutive undergraduate semesters and transfer scholarships are available up to a maximum of four consecutive undergraduate semesters. Visit https://washburn.edu/scholarships for more information.

In addition, Washburn University academic departments have various scholarship opportunities for students within their programs of study. Visit your academic department’s website for more information.

Federal Financial Aid

Federal financial aid is awarded for one year with its continuance based upon financial aid eligibility as determined by the Free Application for Federal Student Aid (FAFSA) and Satisfactory Academic Progress www.washburn.edu/financial-aid. Students must apply for financial aid each year by completing the FAFSA on the web at https://fafsa.gov. Washburn’s federal school code is 001949. The FAFSA becomes available each year after October 1. For students who are eligible to receive consideration for limited campus-based funds, Washburn University encourages students to complete their FAFSA by Washburn University’s November 15 priority date. Admission to Washburn University is a prerequisite for consideration of financial assistance.

All financial aid and scholarships must first apply to students’ tuition and fee charges. Any excess financial aid may be issued to the student as a refund.

For more information, contact the Financial Aid Office at 785-670-1151, or stop by the Student One Stop in Morgan Hall.
Drop/Adds (Class schedule changes)
Drop/Adds can be done any time the Web is available to you up to the last day to withdraw. You can keep track of schedule changes by checking your account on the Web. **DROPS AND ADDS ARE CALCULATED SEPARATELY**, so in order to drop and add an equal number of class hours without any charge, you must do that within the published 100% refund period (pg 10).

**Making changes to your course schedule may cause a change in your financial aid and/or may cause you to have a financial obligation to the University.** Please check this via my.washburn.edu. If an action causes you to have a credit balance, the credit will either be applied to your account, if you have a balance, or the excess will be direct deposited or mailed to you in check form according to your instructions. Please be sure your address in My Washburn is correct.

**Procedures for Withdrawing from Classes**
Students may withdraw from semester courses on the Web until the last day to withdraw Friday, March 29. The date of withdrawal is determined by the day the withdrawal is processed on the Web. The responsibility for completing the withdrawal process rests with the student. Failure to officially withdraw results in the recording of "F" grades at the end of the semester/term, and in being responsible for all assessed charges.

Specific deadlines for all courses, including out-of-sequence courses, can be found on My Washburn by selecting the Student Academics Tab and then selecting Last Day deadline for courses under the Additional Registration Information section.

**Procedures for Complete Withdrawal from the University**
Students who plan to withdraw from all registered courses, or the last/only course for a given term must contact Mallory Riley in the Center for Student Success and Retention at 785-670-2098 for assistance. You cannot drop your last/only class online.

Students who plan to withdraw from all registered classes, or the last/only registered course for a given term must withdraw from the University by visiting Mallory Riley in the Center for Student Success and Retention in the Mabee Library.

Students who are out of town may call Mallory Riley at 785-670-2098 for assistance over the phone. If there is no answer, please leave a message with your name, WIN, return-call phone number and a brief message.

Students who stop attending, but do not go through the Complete Withdrawal process may receive a failing grade in any remaining course(s) and remain financially obligated to pay for the remaining course(s).*

*Please see the Semester Calendar on page 2 of this Registration Information Guide for tuition refund dates and applicable percentages.

**Military Withdrawals**
Students who are called to active duty and must withdraw from classes as a result, should contact the Student Life Office in Morgan Hall 240, (785) 670-2100.

**Medical Withdrawals**
If a student is unable to complete a semester or term due to serious illness or injury, the student may withdraw from courses by the Last Day to Withdraw (November 3). Withdrawal DOES NOT CHANGE the student’s financial obligation to the University. For withdrawals with a medical basis after that date, students must present an affidavit signed by a licensed health care provider certifying the circumstances. This affidavit, as part of a Medical Withdrawal information packet, is available in the Student One Stop in Morgan Hall 101 (Morgan Hall Welcome Center). The completed form should be directed to the Office of the Vice President for Academic Affairs (VPAA). If the request relates to a semester other than the current one, the VPAA Office must also approve the academic withdrawal. Based on an approved request, the student will be withdrawn from all his/her courses, and will receive a "W" on his/her transcript for those courses.

There will be NO REFUND for this procedure. Only withdrawals processed during the published refund schedule (page 7) will generate any kind of refund of tuition and fees. If the student has received Title IV federal financial aid, then the current "Return of Title IV Funds" policy will be applied according to PL 105-244, Sec 484B, 64FR59016.

**Withdrawal Due to Death of Student**
If a student should die during a semester/session in which the student is duly enrolled, the student's estate will be refunded the tuition and fees based on the above stated policies. To initiate this process, the family may contact the Student Life Office in Morgan Hall 240, (785) 670-2100.

**Attendance**
Although the responsibility for withdrawing from courses rests with the student, an instructor, after due notice to the student, may request withdrawal of the student from a course because of nonattendance through the same date as the last day a student may withdraw from a course. This would NOT absolve the student of financial responsibility for tuition/fees for the course in question.

**Residency**
The residency status of a student for the purpose of paying tuition to Washburn University is determined at the time the student applies or reappliies to the University. If a new student questions the status that was assigned, he/she should contact the Office of Admissions for further information and instructions. Current students classified as non-residents who have continuously lived in Kansas for at least six months, have continued to attend Washburn University without having to reapply, and believe that they have met residency requirements as described under “Kansas Residency and Tuition Assessment” of the University Catalog, may obtain information regarding residency appeals by clicking on washburn.edu/admissions/paying-for-college/residency.html. The deadline for contacting the appropriate office and for completing and providing all necessary documentation for review is Friday, February 15 for the Spring 2019 semester.

**Final Grades**
The University Registrar's Office makes final grades will be able to be viewed on the Web through your My Washburn account the day after semester grades are due. Grades will not be given over the telephone.

**Declaring/Changing A Major**
In order to ensure the early and proper selection of a field of concentration, students seeking a baccalaureate degree are required to file a declaration of major by the time they have...
completed 60 hours. Candidates for the associate degree must file the declaration of major at the completion of 24 credit hours. A student is free to change majors at any time, or to add a second or third major, by following the prescribed procedures. Declaration of a major is made through an advisor in the department or area housing he major you wish to declare. You can find more information online via the Student Academic Tab on My Washburn. After the major declaration information has been submitted by your advisor, you will receive an email from the University Registrar’s Office confirming the declaration or change, and within a week. Graduate students must contact the appropriate graduate program office to declare/change their major.

Library Facilities

The University Library. Mabee Library, located in the center of campus, is the intellectual and cultural heart of the university. Its staff offers a wide variety of services, with a special focus on educational programs that promote the intelligent use of information resources and information literacy, including an Information Literacy Minor. Ongoing physical improvements in the library continue to make it a place for active and engaged learning and allow the library to host a growing list of public exhibits and events – including student art exhibits, a range of academic readings and presentations and the Kansas Book Award lecture.

The library has three floors – one of which is a dedicated quiet zone, a second is designated for group study, while the main floor is a mixed space that provides access to over 100 computers for students and faculty. Laptops are available for checkout at the Welcome Center, a bank of 33 high-speed computers is available on the third floor, and 7 computers are available on the first floor.

The University Tutoring (washburn.edu/tutoring) and Writing Center (washburn.edu/writingcenter), located on the third floor, provide free tutoring services for students. The Library website (washburn.edu/mabee) is designed for ease of use and allows researchers to access the collections of Mabee Library, the Carnegie Education Library, the Washburn School of Law Library, the Kansas Supreme Court Library, and the Kansas Historical Society. In addition to an extensive number of books and print journals, the Library also provides access to an expanding number of electronic resources.

## Policies Affecting Your Rights and Responsibilities

**PROCEDURE FOR CONTESTING GRADES**

The following grade appeal procedure applies to the College and the Schools, not the School of Law. The obligation of the instructor to evaluate the performance of students on sound academic grounds is basic to the formal education process. A student who believes the grade awarded him/her by an instructor is based upon reasons other than the student’s academic performance may appeal the grade received in a course. Students utilize the procedure outlined below to appeal the grade unless a student believes the grade was awarded based on illegal discrimination on the basis of race, color, religion, age, national origin, ancestry, disability, sex, marital or parental status or sexual orientation/gender identity. Appeals based upon complaints of discrimination follow the University’s procedure for complaints of discrimination.

**Consultation with the Instructor**

A student must first attempt to resolve his/her dispute concerning the final grade received in a course through consultation with the instructor of the class. Such consultation normally shall take place following award of the grade but in no event shall such consultation take place later than the fourth week on the next regular academic semester following the award of the grade. In the event the course instructor is no longer at the University or is on a leave of absence during the semester following the contested grade or the instructor shall have refused to consult with such student, the student may proceed to the next stage, mediation by the Department Chair (where such exists). If no Department Chair exists, the next stage is mediation by the Dean of the College or School in which the course was offered.

**Mediation by the Department Chair**

If the student is dissatisfied with the result of his/her consultation with the instructor or the student shall have been unable to meet with the instructor because of the instructor’s refusal to meet or absence, the student may seek mediation of the matter with the Department Chair in the unit in which the course was offered. The instructor shall make available to the student all of the materials in his or her possession and criteria which entered into the determination of the student’s final grade in the course. The student shall provide the Dean, in writing, the grounds for contesting the grade by the instructor. After receiving and reviewing these materials, the Dean shall meet with the student and the instructor, either jointly or separately, to attempt to mediate the dispute about the contested grade.

**Appeal to Grade Appeal Committee**

If, after mediation with the Dean, as provided above, the student is still dissatisfied with the result, she/he may file a notice of appeal with the Dean, which shall specify the grade requested and provide a written summary of the grounds for appeal to the Grade Appeal Committee. Such notification must be received by the Dean within 10 working days of the day on which the student faculty member consultation was completed. The process shall be terminated if notification is not received within the 10 working days. Upon receipt of the notice of appeal, the Dean shall forward it and all materials submitted by the faculty member and student during the mediation process to the Vice President for Academic Affairs, the faculty member, and the student. The Vice President for Academic Affairs, upon receipt of the notice and materials, shall appoint and convene a committee of five persons comprised of three faculty members (at least one and no more than two members from the department/discipline from which the grade appeal originated and a minimum of one from other departments/disciplines) and two students from departments/disciplines outside the originating college/school to serve as the Grade Appeal Committee. The Vice President for Academic Affairs may request names of potential discipline-based committee members from the appropriate Dean and/or Department Chair. The awarding of grades that are fair and equitable is taken seriously by the University. Therefore, faculty members are urged to view a request to serve on a grade appeal committee as an important obligation and a service to the University which should be refused only under extraordinary circumstances. At its first meeting, the Grade Appeal Committee shall select its chairperson, set the date, time and place for the appeal to be heard, and review appeal materials from the Vice President for Academic Affairs. The committee shall advise the student and the faculty member of the hearing date. The Grade Appeal Committee may only request clarifying information related to the original documents of the appeal packet. Clarifying information requested from the student/faculty member by the committee should be requested through the Vice President for Academic Affairs. Any clarifying information gathered by the Vice President for Academic Affairs will also be shared with the student and/or faculty member.

**Hearing**

The hearing will take place before the entire Committee. The
burden of proof rests with the student who shall, during the course of the hearing on the contested grade, be responsible for presenting evidence to support the claim. The hearing will be informal and the formal rules of evidence shall not be applicable. Oral testimony of witnesses may be presented but is not required. If either the student or the faculty member present witnesses, he/she must provide a written summary of the testimony expected of the witness(es) to the Vice President for Academic Affairs not later than five business days prior to the date of the hearing. The Vice President for Academic Affairs will then disseminate such information to the Committee and each party within 3 business days. The student or the faculty member may be accompanied by an advisor whose only role in the course of the hearing will be to render advice to the student/faculty member. The student is required to attend the hearing. It is recommended that the faculty member attend the hearing. Should both the student and faculty member attend, they will meet with the committee jointly. The amount of time allotted to each party will be left to the discretion of the Committee. The hearing will not be audio, video, or digitally recorded.

Decision
The student will prevail only if at least four of the five members of the Committee agree that the relief (grade) sought should be awarded for the reasons stated in his/her notice of appeal and the student’s grade be changed. The Committee shall report its decision in writing to the Vice President for Academic Affairs who will then disseminate the decision to the student, faculty member, Dean, and Department Chair (if applicable). The decision of the committee shall be final. If it is the judgment of the Committee that the grade be changed, the Vice President for Academic Affairs shall notify the University Registrar, who will enter the changed grade.

STUDENT CONDUCT CODE

The students of Washburn University are responsible for complying with policies, standards, rules, and requirements for academic and social behavior formulated by the University community. At the same time, students have protection through orderly procedures against arbitrary or capricious actions or decisions by University authorities. Due process is recognized as essential to the proper enforcement of University rules. The purpose of this document is to provide a procedure and rules by which a student will be afforded due process in the matter of alleged violations of University standards, rules and requirements governing academic and social conduct of students.

Prohibited behaviors include, but are not limited to: disruption and disorderly conduct which interferes with the rights and opportunities of other students to pursue their academic studies; theft or malicious destruction, intentional damage, or misuse of University property or private property of another member of the University community, whether occurring on or off campus; or theft or malicious destruction, intentional damage, or misuse on campus of property of a nonmember of the University community; unauthorized entry upon the property of the University or into a University facility or any portion thereof, including a computer file, which has been reserved, restricted in use, or placed off limits; unauthorized presence in any University facility after closing hours; or unauthorized possession or use of a key to any University facility; possession, use, or distribution on campus of any controlled substance as defined by the laws of the United States or the State of Kansas except as expressly permitted by law; possession or use of alcoholic beverages on campus except as permitted under policies adopted by the Board of Regents.

ACADEMIC IMPROPRIETY POLICY

The grades and credits earned by college students in their courses provide an important measure of the quality and extent of their academic achievements. Preserving the integrity and significance of grades and credits is a professional responsibility of the teaching faculty, but requires the cooperation and support of students. The present policy is designed to assist faculty and students in this task. First, it identifies the basic presumption underlying the integrity and significance of academic grades and credits. Second, it defines as academically improper, and officially forbids, all forms of student behavior that undermine, or that could reasonably be interpreted as undermining, the validity of this basic presumption. Finally, it requires faculty to take reasonable steps to prevent such behavior from occurring and to take appropriate academic action when it does occur.

The Basic Presumption—Grades or credits are fair and equitable measures of academic achievement only on the presumption that the academic work submitted by each student is his or her own and is created under course conditions or rules (e.g., time and resources allowed for the completion of an examination) common to all students in that course. The moment this presumption’s validity is reasonably doubted, the integrity of grades and credits as signs of actual academic achievement is seriously undermined. Therefore, it is incumbent on students and faculty alike to ensure that the validity of the basic presumption is preserved beyond any reasonable doubt.

For a complete copy of the Academic Impropriety Policy, contact the Vice President for Academic Affairs Office, Bradbury Thompson Center Suite 200. The policy is also located in the Student Planner/Handbook.

FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT

The Family Educational Rights and Privacy Act of 1974, as amended, protects the privacy of students and provides for the right to inspect and review education records. These rights include, but are not limited to the following:

1. The right to inspect and review their education records.
2. The right to seek correction of their education records.
3. The right to file complaints concerning the alleged failures by the University to comply with the Privacy Act.
4. The right to restrict the release of Directory Information.

The Act prescribes the conditions under which information about students can be released without prior consent, some of which are listed below. For the University’s complete policy on FERPA, please see the Student Records section of the University Catalog or at washburn.edu/statements-disclosures/ferpa.

Disclosure to Faculty and Administrative Officers of the University

The University discloses academic records without written consent of students to university officials who have a legitimate educational interest.

Disclosure to Parents

Students may share their education records with parents at their own discretion. Academic records may be provided to parents who make the request directly to the institution upon:

a. Obtaining and providing the student’s written consent, or
b. Establishing the student’s dependency as defined by the Internal Revenue Code of 1954, Section 152.

Disclosure to Government Agencies

Some federal and state agencies specified in the Family Educational Rights and Privacy Act have the right to student records without written consent. In addition, judicial order or
lawfully issued subpoenas can secure student records without the written consent of the student.

**Disclosure to Other Individuals and Organizations**

The University may release certain information identified by the institution as public or directory information without written consent. Directory information at Washburn University includes: name, photo, current address and phone number, permanent address and phone number, university-assigned e-mail address, classification status, major field of study, dates of attendance, awards and academic honors, enrollment status (full-time, half-time, less than half-time,) most recent educational institution attended, participation in officially recognized activities and sports, height and weight of members of athletic teams.

Students can “opt out” of this release, meaning the University will not release directory information without students’ written consent. To “opt out” of directory information, students submit a form to the Office of the University Registrar. The form may be submitted throughout the year and becomes effective when submitted. It remains effective until revoked in writing.

Students who do not want their name, current address, telephone number or email included in the online student directory may exclude information at any time during the year from the View/Update Campus Directory Profile under the Student Life tab in My Washburn. Students who withhold information from the online student directory are not “opting out” of directory information for FERPA purposes.

If no listing in the Commencement Program is desired, the student must notify audits@washburn.edu of this intention after first submitting an online Application for Graduation located on the Student Academic tab of My Washburn. washburn.edu/statements-disclosures/ferpa

Questions pertaining to FERPA may be addressed by contacting the University Registrar (785) 670-1074.
