III. President’s Opening Remarks.

   A. Prasch announced that the Senate would begin with the vote of no confidence motion.
   B. Prasch asked that senators speak to their constituencies about serving on the Strategic Planning Committee being organized by VPAA Bowen. He explained that any full-time faculty member at the university could serve on the committee as long as that individual could attend summer meetings. He added that the committee members would not receive any compensation and asked that senators send their nominations to Courtney Sullivan. Prasch said that the Senate would be asked to vote on their top three choices by email and that the Executive Committee would tally the vote.
   C. Prasch told the Senate that the Academic Affairs Committee still needed to be constituted and that he was looking into how many SON members should actually serve on the committee. He announced that as it stands, Patzel and Unruh are the SON representatives. He asked for volunteers from the various schools to serve on the AAC. The newly constituted AAC now consists of the following members:
      SAS: Berry and Khan.
      Library: Melick
      SOB: Byrne and Kerchner
      CAS: Ray and Sharafy

   B. Minutes from the Faculty Grants Committee of March 4, 2009 were accepted.

VII. Old Business.
A. Prasch stated that the language of Transfer of International Baccalaureate Coursework (Action Item 09-07) was incorrect and that the Senate would take up the matter at the next meeting.

B. Vote of no confidence in Mike Gunter as head of Information Systems and Services (ISS) (Action Item 09-01).

1) Mike Gunter read a statement in which he outlined what he calls the successes of ISS: wireless Internet, increased disk space, clickers, more desk support, and recent hires such as a Webmaster and Instructional Designer. He stated that ISS does not make policy and that he did not know how he could have done things differently with HiPACE. He added that he believes WUAD is a good thing and that malware can do less damage if the computer does not have administrator access. He stated that university hardware was approved at the steering committee.

2) Senators proceeded to ask Gunter several questions about the following issues:
   a) No academic computing is figured in the organization chart in the Ebert review.
   b) The groundswell of faculty disconnect.
   c) The lack of full time teaching faculty on the ITC and lack of communication with the faculty on the part of the Steering Committee.
   d) Gunter’s unwillingness to share the HIPACE password with faculty.
   e) The lack of sound academic policy
   f) The issue of security: is there a trade off between convenience and security?
   g) Gunter’s perceived lack of trust in faculty in regard to administrative control of computers.
   h) Concerns over the recent security document.
   i) Lack of public access to computers.

3) When the discussion with Gunter ended at 4:45, there was a motion that passed to call the question. The senators the voted on the motion and the ballots were counted. Here is the final tally:
   27 senators voted in favor of the motion of no confidence in Mike Gunter as head of Information Systems and Services.
   3 senators voted against the motion.
   3 senators abstained.
   The motion of no confidence passed with a majority.

C. The Senate ran out of time before it could discuss the College of Arts and Sciences Academic Affairs Committee proposal (Action Item 09-03).

D. The Senate did not have the time to address the Notification of Infraction—Academic Impropriety Form (Action Item 09-06).

VIII. New Business.

Faculty Affairs Committee  

Minutes of March 30, 2009 Meeting  
Crane Room, Memorial Union

Present: Michael McGuire (Chair), Brenda Patzel (Co-Chair), Linda Croucher, Myrl Duncan, Barbara Ginzburg, Park Lockwood, Tony Naylor, Tracy Routson.

I. The meeting was called to order at 3:30pm.

II. Conflict of Interest / Grievance policy. There was a discussion regarding the feasibility of a grievance policy for promotion and tenure. It was noted that an appeal process already exists, however, this process does not appear to include faculty who were not approved for promotion and / or tenure. The FAC chairs will discuss this issue with the VPAA in order to determine if a grievance policy for P & T is feasible before proceeding on this issue.

III. Domestic Partnership Benefits were discussed. There is a domestic partnership document from 1998 and a memorandum sent to President Farley from the Benefits Committee in 2003 that were reviewed. The memorandum was distributed to the Faculty Senate as an information item last FS meeting. The FAC is in the process of updating and revising this document. Upon completing revisions, it will be sent to the Faculty Senate as an action item.

IV. Intellectual Property Policy. An Intellectual Property Policy has been proposed in the past, but has not been approved by Washburn University. There is currently an Intellectual Property Committee that is reviewing this policy and will decide if it is a necessity. The FAC will wait for the IPC’s decision on this policy before deciding if further action needs to be taken.

V. WTE Review Committee. This committee was to be composed during the spring semester. The FAC is not sure what members are on this committee or even if this committee has been assembled yet. This issue will be proposed as a discussion item for the next FS meeting.

Meeting was adjourned at 4:30pm.

Next meeting will be Monday, 4/27, at 3:30pm in the Thomas room.

Faculty Senate Action Item

Date: 9 February 2009                                            Number: 09-07

Subject: Transfer of International Baccalaureate Coursework

Description:

No catalogue language currently exists on the University’s policy concerning the transfer of International Baccalaureate Coursework. The Academic Affairs Committee discussed the need to implement such a program to maintain competitiveness (all the Board of Regents schools have policies about accepting IB coursework) and the necessity to ensure that transfer credits were coordinated with individual departments. It was moved and passed unanimously that the committee approved of the transfer arrangement and now the ACC is asking the Senate to approve the measure.

International Baccalaureate Transfer Credit

The proposed language will be inserted after A. National Examinations, 1. College Entrance Examination Board (CEEB), pp. 59-60 of the 2009-2010 Catalog, as 2. The subsequent College Level Examination Program (CLEP) and University Departmental Exams (p. 60) will accordingly be renumbered as 3 and 4, respectively.

2. International Baccalaureate Transfer Credit

Washburn University recognizes the International Baccalaureate (IB) Diploma Program. Students should seek information and obtain registration materials through appropriate high-school counselors or other secondary-school officials. The program is designed for high-school juniors and seniors planning to enter college and is administered in conjunction with International Baccalaureate courses taught in the high schools.

At the time of enrollment in the University, official transcripts should be forwarded to the University Registrar in order to receive appropriate credit. Credit is awarded on a course-by-course basis by academic departments depending on departmental policy and the examination scores achieved. No entry is made on the college transcript for scores which are lower than those determined to be satisfactory by the Washburn academic departments.

Requested action: Faculty Senate approval

MINUTES
ASSESSMENT COMMITTEE
Friday, January 30, 2009
Cottonwood Room
11:00 a.m.

Present: Donna LaLonde (chair), Nancy Tate, Melodie Christal, Joanne Altman, Cathy Hunt, Mary Shoop, Kandy Ockree, Heather Collins, and CJ Crawford (administrative support).
Absent: Jane Carpenter, Jim Hoogenakker, Lori Khan, Jay Memmott, Denise Ottinger, Whitney Philippi, and Don Vest.

The minutes from December 9, 2008 were approved as amended by the committee.

The committee discussed plans for the unconference scheduled for Friday, February 13. Donna asked for suggestions on how the committee can determine what is meaningful to the liaisons. She offered to do a needs analysis survey to send to liaisons prior to the workshop. The survey would ask the liaisons to indicate their issues and concerns and where their department/area is in the assessment process. It was decided to have the workshop from 12:00 p.m. – 1:15 p.m. and serve a buffet lunch. Each liaison would be asked to invite two other faculty members from their department/area to attend the workshop. The workshop previously scheduled for Saturday, March 7 will be canceled.

After a discussion, it was decided that each committee member would be assigned a group of liaisons for more personal interaction to help move assessment efforts forward. It was suggested to set a deadline of April 30 for all liaisons to update the information on the Assessment web site. CJ will work on setting up optional computer training sessions for liaisons.

It was recommended to put the names of the liaisons on both the Assessment web site and the wiki.

The meeting adjourned.
MINUTES
ASSESSMENT COMMITTEE
Friday, February 20, 2009
Cottonwood Room
1:00 p.m.

Present: Donna LaLonde (chair), Melodie Christal, Cathy Hunt, Lori Khan, Mary Shoop, and CJ Crawford (administrative support). Absent: Nancy Tate, Joanne Altman, Jane Carpenter, Jim Hoogenakker, Jay Memmott, Kandy Ockree, Heather Collins, Denise Ottinger, Whitney Philippi, and Don Vest.

The committee members talked about the group discussions from the unconference on February 13. Some questions that came up were:

- What is expected at the University level about the assessment process and the data that's collected?
- How is a baseline established (pre-test)?
- What are good ways of formative assessment/continuous improvement?
- What are qualitative models?
- How quantitative is the information being reviewed at the University level?

It was recommended that the Assessment committee meet with the Program Review committee early in the fall semester to help educate them about assessment and student outcomes.

It was recommended that a possible topic for a liaison workshop might be tools analysis – what do we have available, and what can we afford.

Donna assigned liaisons to committee members (attached).

Donna reviewed information from the needs analysis survey:

- Liaisons should meet twice a semester
- The wiki is a good idea – propose twice a month prompts to visit the wiki
- Liaisons were familiar with the Assessment web site on MyWashburn
- Liaisons would like to review the job description

Based on the liaison recommendations, a second workshop should be scheduled for spring. CJ will look at the University calendar to determine open dates in April.

The committee agreed that the deadline would be April 30 for the liaisons to have updated information on the Assessment web site.

CJ will set up optional computer training sessions for the liaisons and send out an email.

The meeting adjourned.

Washburn University
Academic Affairs Committee

May 8, 2009

Present: Sue Unruh, Lori Khan, Paul Byrne, Cal Melick, Azyz Sharafy, J. Karen Ray

The committee met to discuss the concerns about the Grade Appeals Procedure submitted by Associate Vice President for Academic Affairs, Nancy Tate. The committee discussed the concerns and decided they merit careful consideration which will probably result in recommended changes in the appeals process. Thus, the committee forwards the concerns to next year’s Academic Affairs Committee since insufficient time remains this semester to give the document the study it deserves.
