XIII. Adjournment
I. The meeting of the Faculty Senate was called to order at 3:04 PM, Dr. Matt Arterburn presiding.

II. The minutes of the Faculty Senate meeting of February 10, 2014 were approved.

III. President’s Opening Remarks  
Arterburn welcomed new senators Sungkyu Kwak, Eric McHenry, and Gaspar Porta. Arterburn then invited senators to attend the panel on Free Speech in Academia on the KU Commons at 7 PM, March 25.

IV. Report from the Faculty Representative to the Board of Regents  
Ball noted that agendas and minutes for the Board of Regents can be obtained on the Board of Regents website http://www.washburn.edu/about/leadership/board-regents/ or directly through her.

V. Report from the VPAA, Randy Pembrook  
Note: Nancy Tate noted that she was attending for Randy Pembrook.

VI. Guest Presentation  
McKinlaye Harkavy, Washburn’s new Student Orientation Director, introduced herself to the Faculty Senate. She informed senators that the New Student Orientation office is now a separate office from the Admissions office. Due to construction in Morgan Hall, the office is now located in MO 178.

VII. Guest Q & A Session  
Floyd Davenport, ITS Director, clarified how student profiles and photos are used in D2L. Davenport reported that photos used within D2L are taken from the iCard system. Only faculty can see their students’ photos in D2L. Students cannot load their own photos into D2L.
As uploading photos and editing profiles are interconnected, students cannot presently update their profiles either. However, faculty can modify or remove their photos. Davenport concluded that ITS may set up a system for remote students by which students can submit photos to be loaded into the iCard system.

MINUTES
ASSESSMENT COMMITTEE
Thursday, March 13, 2014
Lincoln Room – 2:30 p.m.

Present: Donna LaLonde (chair), Melanie Burdick, Tom Hickman, Vickie Kelly, Elaine Lewis, Nancy Tate, Kelley Weber, Betsy West, and CJ Crawford (administrative support). Absent: Jane Carpenter, Melodie Christal, Donna Droge, Garrett Fenley, Gillian Gabelman, Kathy Menzie, Denise Ottinger, Michael Rettig, Jim Smith, and Margaret Wood.

The minutes from the February 13, 2014 Assessment Committee meeting were approved as distributed via email.

MENTOR MEETING UPDATES
Vickie Kelly and Tom Hickman met to work on the Bachelor of Business Administration Assessment Plan.

There were no other mentor meeting updates.

FALL 2014 BEST PRACTICES POSTER SESSION
CTEL would like to co-sponsor a fall session with the Assessment Committee. Donna said that she and Margaret are proposing a brief opening session giving an overview of the posters being presented, then the poster session, and then a brief closing session for questions and answers. During the poster session we would serve refreshments and wine.

The proposed date is September 19 from 3:00 p.m. to 4:30 p.m. in either the Washburn Room/Lounge or in the Pavilion. It was recommended we have a printed program. A suggestion was made that Randy Pembrook could give the welcome in the opening session and a brief update on the University Student Learning Outcomes. It was also recommended to have a poster for the USLOs.

ASSESSMENT PLAN ASSISTANCE SESSIONS AND REVIEW PROCESS FOR THE ASSESSMENT PLANS
The Assessment Plan Assistance sessions are continuing to go well and the majority of the liaisons have either attended a session or have signed up for the remaining two sessions. The committee mentors will contact the remaining liaisons who have not responded to set up individual meetings.

As the completed Assessment Plans are turned in (due April 30), they will be put in the Assessment folder on the Shared Drive (in an Assessment Plan subfolder in the Assessment Committee subfolder). The initial review and rating of each Plan will be done by Donna LaLonde, Vickie Kelly and Margaret Wood. After the review, the mentors will be asked to take a look at the Plan and rating for their assigned programs to see if they have any comments or changes.

OTHER
The Assessment Retreat this year to review the Annual Assessment Reports will be on Friday, July 18. Due to the changes made in the report format and rubric, the process should be quicker this year so the time will be from 9:00 a.m. (or 10:00 a.m.) to 12:00 p.m. (or 1:00 p.m.) and lunch will be provided. More specific information will be sent out later.

The meeting adjourned.

FUTURE COMMITTEE MEETINGS (April and May are scheduled for 2:30 p.m. in the Lincoln Room)
April 10
May 8
July 18 – Assessment Retreat – Review of Annual Assessment Reports (specific times to be determined)
Dr. Pembrook called the meeting to order at 3:00 p.m.

Those present included:

**Aida Alaka, *Phyllis Berry, Bob Boncella, Kim Harrison, Vickie Kelly, Bobbe Mansfield, Cal Melick, Kandy Ockree, **Randy Pembrook, **Tim Peterson, Dave Provorse & Kayla Waters

1. A motion was made and seconded to approve the most recent meeting minutes. Graduate Council approved without objection the Graduate Committee Meeting Minutes from May 1, 2013.

Dr. Waters moved to amend the May 1, 2013 Graduate Committee Meeting Minutes by omitting the last two sentences that begin, “Committee agreed that starting fall 2013. . . .” & “Policies stated within. . . .” of the last paragraph of section 3. After some discussion, the amendment was seconded and passed without objection. The last paragraph of section 3 now reads, “Dr. Boncella asked that we only focus on the number changes and not approach the policies governing course numbers.”

2. Dr. Pembrook asked those in attendance to introduce themselves to the rest of the Council, as some members may not know everyone else on the Council.

3. Dr. Pembrook asked Dr. Peterson to update us on the progress of graduate application; alumni fee waivers, graduate website and the promotion of graduate programs.
A. Dr. Peterson began by offering a review of the Recruiter Software demonstration held earlier in the day. He found that for the most part the Recruiter software does most of what it claims to provide. The plan to begin using the software is scheduled for fall 2014. It is planned that all the information collected would be push to Banner after a certain threshold is met, meaning the prospective student seem to be a serious applicant for any program.

A major point brought up by Council members and related to the Recruitment software is that data should always be accessible to all programs without having to go through layers of bureaucracy to retrieve it.

After some discussion it became apparent that what the council members envisioned is that the university would have one form of central information but that the graduate program(s) that a student selects should also be copied on the information collected.

This is the homework assignment for our next meeting: Looking at the Graduate Programs Applications Data Elements (emailed to members), determine what data your program needs collected or added to the grid and what does not apply.
B. Dr. Peterson turned his attention to graduate application fee waivers for alumni. He had advocated for an alumni graduate application fee waive in hopes of attracting more students into graduate programs and because he believed that graduate fees went to the general fund and not back to the departments. Dr. Harrison believes that her department retained the graduate application fees. The fee waiver was instituted in fall 2013 and will continue into spring 2014, at this point. Dr. Pembroke offered to find out where graduate application fees go.

[After the November 12, 2013 meeting, Dr. Pembroke spoke with Rhonda Thornburgh regarding graduate application fee accounting process. While graduate application fees are credited as part of the revenue generation of a program, those revenues are placed in the general fund and not distributed to units as a line item in the budget balance. This is true for all programs]

C. The graduate website has made no significant progress since last reported. The site is still in need of student testimonials, so if you know of a student willing to do this, please notify Dr. Peterson.

D. Promotion of the graduate offerings at Washburn went out in the August issues of the Topeka Capital Journal (ad copy was emailed to members). We hope to do another before the spring 2014 semester.

Dr. Pembroke suggested that it may be helpful to invite Richard Liedtke from Enrollment Management to participate in the graduate programs promotion before the next “blast.” Council agreed with this suggestion.

Dr. Pembroke shared with the Council that graduate admissions have increased between 11% and 12% in the last year. Often School of Law is considered separately; however, this number includes the Law School.

Dr. Pembroke asked the committee to consider the recommendations from Martha Imparato, who was part of the Capstone/Thesis Subcommittee. She recommends that graduate projects that are theses should follow guidelines for uniformity at the university level.

- That two hard bound copies of the thesis should be submitted to the library
- That one digital copy of thesis should be submitted to the library
- That graduate theses should be differentiated by color of binding cover (e.g., blue for doctoral theses and black for master’s theses)
- That we use uniform paper weight for content

This begs the question, should we have university guidelines or a university standard for published theses? After some discussion the question arose as to whether a bound copy of a thesis is really necessary. Wouldn’t a digital copy be sufficient? It was determined that Ms. Imparato should be invited to help the committee with its questions.
Dr. Pembrook announced to the Council that the Master Studies in Law had been approved by the American Bar Association and now awaited Higher Learning Commissions approval.

Dr. Pembrook adjourned the Graduate Council meeting at 4:00 p.m.

Present: Michael McGuire (Chair), Jennifer Ball, John Burns, Emily Engler, Pamela Erickson, Michael Gleason, Andrew Herbig, Martha Imparato, Blair Landon, Denise Ottinger, Bassima Schbley, Ye Wang, and CJ Crawford, administrative support.

The minutes of the December 10 meeting were approved as distributed.

HONORS STUDENT COUNCIL REPORT
New officers were elected in November.
  President – Blair Landon
  Vice President – Emily Engler
  Treasurer – Katy Davis
  Secretary – Whitney Earnest

Blair said that the student council is having a bowling social this coming Sunday, March 9.

The Honors banquet is scheduled for Tuesday, March 25 at 6:30 p.m. in the Bradbury Thompson Center.

Students have asked for more service opportunities so the council is participating in the Big Event this spring.

UNFINISHED BUSINESS

Upper Division Honors Courses
Michael organized a brainstorming activity for board members to work on in small groups. Each group wrote down ideas on what makes 300 level courses different from 200 level courses. HN301, HN302, and HN303 have been approved by the Interdisciplinary Committee. He asked the group to identify one honors program or college (preferably regional) to see if there is information on how they distinguish between upper and lower division honors courses.

Completion Points
For the second brainstorming activity, each group wrote down ideas as to what a possible tiered system would look like – number of tiers, what is involved with each tier and what the tiers would be called.

NEW BUSINESS

Scholarship Applications
Michael distributed scholarship applications for review and ranking by Friday, March 14.

ANNOUNCEMENTS
  • The next meeting is Wednesday, April 2, 2014 at 12:00 p.m. in the Cottonwood Room.

The meeting adjourned.
Present: Brian Ogawa, Nancy Tate, Alex Glashausser (late arrival), Karen Diaz Anchante, Lara Rivera, and Baili Zhang

Minutes of Feb. 13, 2014 were approved with a name correction.

Zhang reported that the Chiba/Fukuoka visiting student programs and the Incredible India cultural program concluded successfully.

Kwak’s funding request was approved. McConnell-Farmer’s funding request was approved on condition that evidence of paper acceptance is provided. (Glashausser, Sundal and McConnell-Farmer voted prior to the meeting by email.)

It was voted to change the language regarding the faculty international travel fund duration from “$1500 per academic year” to “$1500 per fiscal year (July 1-June 30).”

Discussion was held regarding qualifications of an alternate leader for a study abroad program in the event that the program/course developer is unable to lead. No action was taken.

Respectfully submitted,

Baili Zhang

SUBJECT: Extension to the probationary period of a tenure-track faculty member.

Description:

The normal 6-year probationary period can be extended under extenuating circumstances in order to allow for forward progress toward completing the candidate’s tenure standards.

Rationale:

Most U.S. universities already have policies in place for stopping the tenure clock. Washburn University also needs a formal policy for tenure extensions in order to meet its responsibility to provide tenure-track faculty members a fair and equitable probationary period by including a way for them to request an extension due to certain exceptional circumstances that may inhibit forward progress towards tenure. In particular, Washburn needs this policy to help prevent inadvertent discrimination against women of childbearing age. Washburn needs this policy to allow everyone the opportunity to succeed.

Financial Implications: None.

Proposed Effective Date: All future faculty hires beginning in 2013-2014 for the 2014-15 year.

Proposed wording:

Section 3.II.E.3 Extention of Probationary Period. Because extenuating events sometimes occur and prohibit a tenure track candidate from successfully making progress toward completing the teaching, scholarship, and/or service standards established by departments and schools for tenure, tenure-track candidates may appeal for an extension to the mandatory tenure review date indicated in the original hiring contract (normally this is in the 6th year of service at Washburn but shorter review periods are sometimes negotiated). Such an extension may be granted in the following situations:

A. Giving birth or providing care for a dependent child.
B. The placement with the employee of a child for adoption or foster care.
C. A serious health condition that makes the employee unable to perform the essential functions of his/her job.
D. To care for a family member (e.g., spouse, partner, child, parent) with a serious health condition.
E. Death of a family member (e.g., spouse, partner, child, parent).
F. Divorce.
G. A substantial change in the employee’s assigned area(s) of responsibilities.
H. For qualifying exigencies arising out of the fact the employee or employee’s spouse/partner is called to the performance of duty on a voluntary or involuntary basis in a uniformed service under competent authority.

Other extenuating circumstances may be considered as well. Any individual who wishes to pursue an extension as a reasonable accommodation under the ADA should contact the Equal Opportunity Director.

Requests will be directed to the Dean of the individual’s area and copied to the Vice President for Academic Affairs. The Dean will consider, among other factors, whether the circumstances are unusual for a typical tenure-track candidate in his or her particular department and the candidate’s pattern of successful progress prior to the extenuating circumstances. In the event that the original request is denied, the candidate may request a review from the Vice President for Academic Affairs.

Alteration of the tenure clock during the probationary period is typically limited to two, one-year delays with the exception of qualifying exigencies pertaining to extended military duty.

Timing of the request: If the circumstances warranting the tenure review extension occur prior to the mid-term review, the request for an extension must be submitted at the time of the mid-term review and a recommendation made as part of the mid-term review. In all other instances, the request form must be submitted no later than the first day of the Spring semester preceding the year of mandatory review.

SUBJECT: Faculty Handbook – VPAA action in the event of a negative tenure/promotion decision.

Description: Requires the VPAA to meet with any tenure/promotion applicant who received a negative decision in order to explain why tenure/promotion was denied.

Rationale: Currently, there is no university policy requiring an explanation to the candidate in the event of a negative decision for tenure and/or promotion. This policy will allow the candidate to learn why tenure and/or promotion was not granted in a timely and humane manner.

Financial Implications: None.

Proposed Effective Date: All future faculty hires beginning in 2013-2014 for the 2014-15 year.

Proposed wording:

SUBJECT: Faculty Handbook - Promotion and Tenure Committee members

Description: A University Policy defining the makeup of the department/area committee for review of a candidate’s promotion and tenure materials.

Rationale: Currently, there is no university-wide policy describing the makeup of the department/area committee that begins the tenure/promotion review process. This policy will make it possible for all candidates to have a fair and equitable review of their materials. In addition, departments/areas with smaller numbers of tenured faculty will be able to create the necessary committees without undue stress.

This policy will become the new Section II.F – the current sections F-K will adjust accordingly (becoming G-L).

Financial Implications: None.

SUBJECT: Faculty Handbook Section One.III Faculty Appointment Categories (excluding School of Law)

Description: Definitions of Academic appointments for all university units excluding School of Law.

Rationale: Washburn has several categories of academic appointments that need to be clearly defined for hiring purposes and for ease of use and any future updates to the Faculty Handbook. In addition, we have several lecturers who have been with Washburn for 20+ years who need the recognition and reward of a promotion to the rank of Senior Lecturer. These definitions allow for that possibility.

Financial Implications: Promotions from Lecturer to Senior Lecturer may be accompanied by an increase in salary.

Proposed Effective Date: All future faculty hires beginning in 2013-2014 for the 2014-15 year.

Section One: Administrative Procedures

SUBJECT: Combined Graduate degrees - JD, Law School, and MAcc, School of Business, degree.

Description: A combined Juris Doctor [JD]/Master of Accountancy [MAcc] degree will facilitate students more efficient earning of both degrees simultaneously by allowing the substitution of two core Master of Accountancy courses for two Law School courses; and, allow the substitution of two business related law School courses for two elective Master of Accountancy courses. During the first year of Law School students will be allowed to enroll only in law courses. The attached description addresses the JD/MAcc as an expansion to the MBA/JD program that currently exists. Therefore the language of the proposal incorporates the JD/MBA narrative as well. See attached detailed description.

Rationale: A combined graduate degree in law and accounting provides multiple opportunities to enhance career placement and advancement for graduates as either a practicing attorney or as a practicing CPA. The added professional credential for each endeavor greatly increases the usefulness and professional expertise of the degree holder. Individuals with JD/CPA credentials are highly sought after in business and generally very successful.

CURRICULAR ADDITIONS/ASSESSMENT: No new courses or related assessment will be added to either the law curriculum or the Master of Accountancy curriculum.

Financial Implications: (None anticipated)

Proposed Effective Date: Fall semester 2014.

Recognizing that legal and business studies complement each other and that real-world problems often require solutions from both legal and business perspectives, Washburn University has developed dual degree programs to encourage students to obtain J.D. and M.B.A. or J.D. and M.Acc degrees during their course of study at Washburn.

On its own, the J.D. program at Washburn University School of Law requires 90 credit hours; the M.B.A. program at the Washburn University School of Business requires 30 credit hours of upper-level courses. The Master of Accountancy program requires 30 master’s level credit hours. Thus, pursued separately, the J.D./M.B.A or the J.D./M.Acc would require 120 credit hours. Under the dual degree programs, certain courses are accepted for credit by both schools: six credit hours of business-related law school courses may count toward the M.B.A. or toward the M.Acc, and six credit hours of business school courses in either the M.B.A or the M.Acc may count toward the J.D. Students can therefore obtain either combination of degrees with a total of 108 credit hours.

Law school courses that transfer to the business school are those that are business-related (as determined by the business school); business school courses that transfer to the law school are core courses in which the student earns at least a “B.” (Grades will not transfer between schools; for the transferee school, the courses will be treated as credit/no-credit.) No credits for business school courses will transfer to the law school until the student has obtained 12 credits of upper-level MBA (950 series) business school courses.

Students may choose to begin either their legal studies, their business studies, or their accounting studies first. Whenever they start the law school program, students must take the full first-year curriculum, all of which consists of required courses, without interruption. Students will not be permitted to take business school courses during the first year of law school. After completing the first year of the law school curriculum, if students simultaneously take courses in both programs, the total number of credits enrolled in at one time must stay within the parameters required by the American Bar Association’s standards governing accredited law schools. Students are also required to participate in the various orientation and assessment activities of both programs.

Students must separately apply to and be accepted by both schools. Students will indicate to each school, at the time of application that they are applying to the dual degree program. Students will pay tuition for law school courses at the normal rate for that school and will pay tuition for business school courses at the normal rate for that school.

1 The M.B.A. program also requires up to 30 credit hours of foundation-level courses. This requirement is met either through the completion of undergraduate courses or by taking 920 level courses offered by the School of Business.
2 The M.Acc program requires that students complete all prerequisites for Master of Accountancy courses.
