Section One, VII, B, 2 – Academic Affairs Committee

The Academic Affairs Committee is charged with evaluating carefully and making recommendations to the Faculty Senate regarding: (1) all new undergraduate programs (majors, degrees, certificates and emphasis/concentration areas) or major revisions (those that fall into categories 3-5 below) proposed by any Major Academic unit of the University; (2) new undergraduate academic programs or major revisions (those that fall into categories 3-4 below) to such programs that originate from units other than Major Academic Units (e.g., Interdisciplinary, Leadership, Honors program, etc.); (3) policies that redefine standing university criteria (e.g., minimum number of hours to graduate 119 vs. 124 hour degree, 6 hour vs. 12 hour minor, General Education criteria); and (4) academic or programmatic changes to undergraduate programs requiring financial investments beyond the unit (i.e., new university funding). (5) Changes that directly affect other units (e.g., deleting/adding correlated courses) at the undergraduate level will be reviewed by the Academic Affairs Committee as action or informational items. The primary concern of the committee shall be consistency of the proposed program with applicable University-wide guidelines and regulations, potential impact of the program on other established programs in the University, and financial implications of such new or revised programs. The Executive Committee may also delegate other matters to this committee. Faculty representatives on this Committee must be members of the Faculty Senate.

The following items should be channeled through the ACADEMIC UNIT's faculty governance process and would not come through the General Faculty Governance process (i.e., Academic Affairs, Senate, General Faculty and the Washburn Board of Regents) unless at least one of the five criteria is also present:

- A. Changes to the minor
- B. New courses, course modifications, changing of course descriptions, credit hours or course numbers
- C. Deleting unused course numbers
- D. Changes to certificates
- E. Changing prerequisites
- F. Number of credits in the major (within the University established minimum/maximum levels)
- G. Changing the advising process
- H. List of potential electives within the unit for a major
