

Thank you, Mr. Averill, for writing me about the program. I have the Jan 13<sup>th</sup> feature from the Daily Union and a similar one from the Manhattan Mercury. I also had a phone call from a former neighbor now living in Loveland, Colo., telling me about both newspaper stories.

By all means tell John Jeffries to copy any of the pictures he wants to. There is no hurry about their return. If that includes the one of Thelma, he may be interested to know she was modeling a small fortune in silver jewelry; the only piece showing in that picture is a handsome squash blossom belt.

There are two things I regret not to have told you - I thought of them too late to reach you in time. One is the story that Stan papered his room at the Phi Psi house with rejection slips. The other is my
