Dear Beulah -

Just stopped in at the
Rizer shop and heard that
you were thinking of a
trip to Texas - If you
can stand that - you can
stand J.C. I would love
to know you - also I'm
curious. Stanley repeats so
often - "That sounded
just like Beulah!" - and
as he does it always at
the right times - I want
to know how I sound at
my best -

We have an extra
bedroom - and an extra
bath - I'm no house keeper
so there is no boistering
