about details. Please come. The only other individual ever about the premises is Sgt. Goldcrack, our cat and he is an incurable isolationist.

It is so hot that I'm holding a pad on my knee to write this. Surely nostalgia after that statement should bring you back? We'd both love to see you - and I am eager to meet the only relative that Stanley loves -

He is recovering well from the heart attack - gaining weight - and feeling much better - write us that you'll come -

Fondly

Elizabeth
