

Dear Tom Caverill, Word from a Colorado man  
formerly of J. C. says you had ~~Junction Citizens~~ a  
bit bewildered. We ~~pronounce our name Penwell~~  
Easterners - that ~~is those in this area, call it~~  
Penwell" but it is a Cornish name - you know  
Pendragon, Penzance, etc., and was originally  
spelled without "l". Someone was heard to re-  
mark when leaving your program, "Who was he  
talking about?" Or so I was told. I wondered if  
the Jeffries are calling me Penwell? Surely  
someone would have corrected them! Benlah P.
