

## **ALYSSA CARNEY**

Alyssa is graduating with a Bachelor of Arts degree in Kinesiology, emphasis in Exercise Physiology as well as a Minor in Biology. This summer she will complete her internship at the Center for Manual Medicine and obtain her Emergency Medical Technician Certification through Washburn Technical Institute. She plans to attend a Master of Physician Assistant Program and work as physician assistant in pediatrics, orthopedics or hospital medicine.

Alyssa played for the Washburn Volleyball Team from 2014-2016, where she earned MIAA Academic Excellence including First Team Co-SIDA Academic All-American in 2016. She also excelled on the court with unanimous First Team All MIAA, AVCA First Team All Region and AVCA All American-HM in 2016.

Alyssa enjoys working with children and has spent time volunteering in elementary school classrooms. She coached Club Volleyball for 3 years and assisted with the Ichabod Volleyball and Softball camps. She has volunteered in the local community at the Capper Foundation and Harvesters.

Alyssa has been a member of the Phi Kappa Phi Honor Society and served as Membership Chair for the Mortar Board Honor Society. Through Leadership courses, Alyssa was involved with a Campus Action Project to increase school spirit.

For her International Education WTE in 2017 and the Scholarly WTE in 2018.

Alyssa received the Capitol Federal WEA Scholarship, Joss WEA Biology Scholarship, Phi Kappa Phi Academic Scholarship, and WTE Study Abroad Scholarship.
