

ISABELLA FENTON

Isabella is graduating with a Bachelor's of Science in Nursing and she intends to work as an RN at a local hospital in a critical care setting. In the future she plans to become a Certified Critical Care Nurse or return to school to complete a Doctorate in Nursing.

Isabella is Treasurer for Student Nurses of Washburn, a member of NONOSO, Mortar Board Honor Society, School of Nursing Dean's Council, and National Student Nurses Association.

As a freshman, Isabella was involved in welcoming international students to the University by co-leading an English Conversation group and participating in various international student engagement activities. Isabella was also involved in the Student Nurses Mentor Program and Community of Caring Club which focused on involving student nurses with the community.

While being a student worker in the Office of Admissions, she was able to share her love and passion for Washburn with prospective students and their families. She was a nominee for Student Employee of the Year in 2017.

For her International Education WTE, Isabella traveled with the School of Nursing and Haiti Lifeline to Haiti to provide medical care in clinics in and around the Croix-Des-Bouquets area. She hopes to take additional trips with Haiti Lifeline as an RN in the future.

Isabella received Dean's Honor Roll in Spring 2015 and President's Honor Roll in every semester since. She received the Dr. Robert and Pauline Pfuetze Scholarship through the Topeka Community Foundation. Additional scholarships include the Geneva Seybold Endowment, White Scholarship in Nursing, and the Jardon WEA Scholarship.
